A MESSAGE FROM THE SUPERINTENDENT

Dear Fox Chapel Area Community,

Though the end of the school year is always filled with excitement, I find myself reflecting on the growth, memories, and meaningful moments that made this journey together so special. Each day was driven by purpose, fueled by passion, supported by care, and strengthened by an incredible sense of community that defines who we are as a school district.

The end of the school year certainly means some time off for many in our school community. It also means, though, that our students have gained another year of academic and life experiences. They have dealt with obstacles and have persevered through them. They have also grown in myriad ways, and not just academically. I think of the support that has been provided to them by our staff members and the guidance given by their families. I think about the successes that our students have experienced throughout another year of education here in the Fox Chapel Area School District, knowing that it looks different for every student. For some, success can be placing in an art competition, or hitting a three-pointer. For others, it's acing a test or volunteering to make their community a better place. For yet some others, it can simply be coming to school and making a new friend.

As another school year comes to a close, I also find myself thinking about the history of the district. I am so proud of everything we have accomplished in our time together. We have built upon a rich tradition and foundation paved by those who came before us. I'd like to think that they are proud, too.

I want to again thank everyone and congratulate them on a job well done! Your efforts have helped our students to learn, grow, and prepare for their futures. I am proud to see your support of our district's strategic vision pillars of purpose, passion, care, and community. Thank you for elevating our core values of respect, responsibility, and integrity.

To our newest retirees, thank you for your service. You have touched countless lives through your work, and the district is a better place because of you! We will miss you, and we hope you know that you will always be part of the Fox Chapel Area School District community.

I wish everyone a summer filled with health, happiness, rest, and renewal. I'm already looking forward to all we will accomplish together in the 2025-2026 school year!

Sincerely,

Dr. Mary Catherine Reljac
Superintendent

*Each day was driven
by purpose, fueled by passion,
supported by care, and
strengthened by an incredible
sense of community that defines
who we are as a
school district.*

FOX CHAPEL AREA SCHOOL DISTRICT 2025-2026 FINAL BUDGET

The Fox Chapel Area School Board adopted the 2025-2026 final budget at its regular business meeting June 9, 2025. The budget calls for total expenditures of \$123,187,421 and total revenues of \$120,709,693. The budget will be balanced via a 2.3% tax millage increase and the utilization of a portion of the available fund balance. The 2.3% millage increase falls below the 4% Act 1 index increase allowed by the state.

The tax increase reflects a decrease in real estate tax revenues because of changes in assessment values and an increase in recurring costs related to student transportation.

The 2025-2026 final budget also reflects the following:

- Increased expenses due to facility improvements
 - Water/sewer line repairs
 - HVAC upgrades
 - Building safety upgrades
 - A funds transfer into the Capital Reserves Fund to be used toward the district's multiphase capital projects plan

- Employee insurance premium increases
 - 5.7% for medical coverage
 - 3% for dental coverage
 - 3% for vision coverage
- Public School Employees' Retirement System (PSERS) employer contribution rate of 34% for 2025-2026
 - This accounts for 14% of the overall budget. The state reimburses the district 50% of the costs.

The final millage rate for 2025-2026 is 22.0076 mills. Each mill generates approximately \$3.7 million for the school district. Properties that have approved homestead/farmstead exemptions will see an increase below 2.3% due to an increase in property tax relief funds from the state.

Breakdown of Revenues

Local Revenue (78.29%)	\$94,502,338
State Revenue (20.81%)	\$25,119,561
Federal Revenue (0.85%)	\$1,027,794
Other Revenue (0.05%)	\$60,000
Total Revenues	\$120,709,693

Breakdown of Expenditures

Instruction (59.11%)	\$72,820,950
Support Services (29.02%)	\$35,754,537
Debt Service (4.70%)	\$5,792,902
Non-Instruction (2.70%)	\$3,332,003
Fund Transfer (1.64%)	\$2,025,000
Facilities (1.59%)	\$1,962,029
Budgetary Reserve (1.22%)	\$1,500,000
Total Expenditures	\$123,187,421

Percentages are approximate due to rounding

Gaming Funds Distribution

On May 1, 2025, the Pennsylvania Department of Education provided the Fox Chapel Area School District with the amount of the district's share of gaming funds available for distribution. The final budget includes a distribution of \$2,552,188. The method of distributing these funds, as prescribed by Act 1, the Taxpayer Relief Act, will be via the implementation of the homestead exclusion. Under this provision, any property in the school district that was approved by Allegheny County as a homestead will have the lesser of its taxable value, or an estimated \$14,821 of its taxable value, excluded for the purpose of calculating school district real estate taxes for the 2025 tax year. Based on the final budget, the

owners of the 7,843* properties in the district that qualified for the homestead exclusion will receive the equivalent of a \$326.17 reduction in their property taxes. This is an increase of \$35.22 over the previous year's reduction.

Property owners who currently do not have an approved homestead exclusion will have the opportunity to apply again when the district sends out letters to eligible homeowners in December 2025.

**Allegheny County has certified that there are 7,843 approved homestead properties in the district. If that number is adjusted by the county to include fewer or more properties, it could affect the amount of the final reduction.*

Estimated Real Estate Tax Liability

	Without Homestead Exclusion	With Homestead Exclusion	Without Homestead Exclusion	With Homestead Exclusion
2024 Assessed Value	\$50,000	\$50,000	\$100,000	\$100,000
2024 Homestead Exclusion*		-\$13,524.44		-\$13,524.44
2024 Net Assessed Value	\$50,000	\$36,475.56	\$100,000	\$86,475.56
2024 Millage Rate	<u>21.5128</u>	<u>21.5128</u>	<u>21.5128</u>	<u>21.5128</u>
2024 Tax Liability	<u>\$1,075.64</u>	<u>\$784.69</u>	<u>\$2,151.28</u>	<u>\$1,860.33</u>
2025 Assessed Value	\$50,000	\$50,000	\$100,000	\$100,000
2025 Homestead Exclusion*		-\$14,821		-\$14,821
2025 Net Assessed Value	\$50,000	\$35,179	\$100,000	\$85,179
2025 Millage Rate	<u>22.0076</u>	<u>22.0076</u>	<u>22.0076</u>	<u>22.0076</u>
2025 Tax Liability	<u>\$1,100.38</u>	<u>\$774.21</u>	<u>\$2,200.76</u>	<u>\$1,874.59</u>
Annual Increase/Decrease	\$24.74	-\$10.48	\$49.48	\$14.26
% Increase/Decrease	2.30%	-1.34%	2.30%	0.77%
Monthly Increase	\$2.06	-\$0.87	\$4.12	\$1.19

**The homestead exclusion amount is more this year due to an increase in the allocation of state funds. More information about the homestead exclusion can be found on the state's Department of Community & Economic Development website.*

- These amounts can be reduced by 2% if paid in full during the discount period.
- Senior citizens may qualify for a property tax rebate program through the state.

Future Challenges

- Assessment value reductions due to Allegheny County assessment appeals
 - For the first time in 10 years, the district's total taxable assessment values have decreased from the previous year, resulting in a decrease of real estate tax revenue of approximately \$250,000
- PSERS contributions continue to be a challenge for school districts in Pennsylvania
 - The employer contribution rate is set by PSERS trustees, not by the district
 - The district anticipates paying more than \$47 million in PSERS contributions during the next five years
- Projected multiphase capital projects plan
 - Projects address repair, replacement, and upgrades of equipment and infrastructure of aging district facilities
 - The current phase includes updates to the Hartwood Elementary HVAC system and interior lighting, windows at Fairview Elementary, and upgrades to the tennis courts at Fox Chapel Area High School
 - The current version of the plan includes an outstanding projected total cost of more than \$30 million spread over 10 years
 - The district plans to utilize available funds assigned for capital expenses in both the General Fund fund balance and external Capital Reserves Fund
 - The district is looking into additional alternative funding opportunities, including grants, as well as possibly increasing the district's debt service profile

Additional information about the 2025-2026 final budget can be found at www.fcasd.edu/about-us/budget.

VISITS PUT DISTRICT IN NATIONAL SPOTLIGHT

Earlier this year, the Fox Chapel Area School District hosted representatives from two leading national education groups – the League of Innovative Schools and AASA, The School Superintendents Association.

As part of the League of Innovative Schools Spring 2025 Convening in March, approximately 100 superintendents, district leaders, and educators from across the United States visited Fox Chapel Area. Attendees traveled to Kerr Elementary School, Dorseyville Middle School, and Fox Chapel Area High School. They learned about Fox Chapel Area's strategic vision, which focuses on educating the whole student and illustrates how, through inclusive, data-informed instruction, authentic learning experiences, and a focus on fostering belonging, Fox Chapel Area demonstrates its commitment to cultivating a supportive environment where students can flourish academically, socially, and emotionally.

The day's festivities at Fox Chapel Area culminated in "Fox Fest," an event that highlighted various programs and initiatives in the district, as well as a Unified Bocce match.

Launched in 2011, the Digital Promise League of Innovative Schools is a national network of school districts that connects forward-thinking educational leaders.

In early May, AASA representatives visited Dorseyville Middle School for a day full of table talks, tours, and presentations about various topics, including the use of "zen dens" in Fox Chapel

Area schools, the district's environmental education partnership with the Audubon Society of Western Pennsylvania, math intervention initiatives, and the use of makerspaces.

The day at Fox Chapel Area was part of the spring meeting of the AASA Early Learning Cohort. The visit spotlighted the district's designation as a national Lighthouse School System for early learning.

"These visits celebrated the district's ongoing efforts and opened the door for even deeper collaboration and growth," said Dr. Mary Catherine Reljac, superintendent of the Fox Chapel Area School District. "It was an honor to highlight the incredible work of our students, staff, and community, and a privilege to learn alongside education leaders from across the country."

ANNUAL DESIGN CHALLENGE BUILDS BRIDGES

During the discoverED 2025 collaborative design challenge, an unprecedented more than 15,000 students from across the state built bridges – both in structure and symbolically.

In celebration of the 10th anniversary of discoverED, students took on a meaningful task: to create, build, and refine a bridge from toothpicks, marshmallows, and tape that would allow salamanders to cross a road safely. The challenge was designed by Kerr Elementary School computer science teacher Stan Strzempek. As part of the joint experience, students worked virtually with peers from demographically different partner schools, fostering connection and understanding.

More than 500 participating students from the Pittsburgh region had the opportunity to engage in an additional STEAM lesson and then gather in person for the design challenge at the David L. Lawrence Convention Center, Downtown.

discoverED, coordinated every year by the Fox Chapel Area School District, serves as the annual kickoff to Remake Learning Days across Pennsylvania.

The sponsors for discoverED 2025 were the Allegheny Intermediate Unit, the David L. Lawrence Convention Center, EQT Corp., the Fox Chapel Area School District, Remake Learning, the Richard King Mellon Foundation, and The Grable Foundation.

CLASS OF 2025 GRADUATES

Fox Chapel Area High School graduated approximately 340 students on June 8 during a ceremony at Soldiers & Sailors Memorial Hall & Museum in Oakland. The student speakers at the ceremony were Gabrielle Generett and Rohit Velankar, and this year's address to the senior class by the faculty was given by high school English teacher Thomas O'Connor. Jonah Kline, Lily Massaro, and Wyatt Muller received Principals' Leadership Awards, given to students who have exemplified leadership and have served as inspiring role models throughout their high school careers.

We wish the Class of 2025 all the best!

SAFETY, HEALTH & WELLNESS EVENT BRINGS COMMUNITY TOGETHER

The Fox Chapel Area School District hosted its fourth annual free Community Safety, Health & Wellness Event in April in Aspinwall. This year's expanded event featured vendor booths, a touch-a-truck area, wellness screenings, free bike helmets for children and other giveaways, a bike rodeo with police, car seat checks, food, and a special visitor this year ... the Pirate Parrot!

The event was sponsored by the Fox Chapel Area school resource officers, in conjunction with the district's municipalities and their police forces. Local fire and EMS departments also participated.

According to Joe Kozarian, Fox Chapel Area School District's chief of school police, the event is a way for community members to meet the school resource officers who work closely with students, as well as other first responders. It is also a day to provide the community with information on health and wellness.

"Our school resource officers look forward to this event every year," Chief Kozarian said. "It gives them an opportunity to connect with our local residents and our community first responders. The residents of the Fox Chapel Area School District communities have always supported our efforts to keep our students and staff safe, and this event is a way that we can reach out to thank them."

FOX CHAPEL AREA AGAIN TOPS REGIONAL, STATE RANKINGS

For the second consecutive year, the Pittsburgh Business Times has ranked the Fox Chapel Area School District as the No. 1 school district in both Southwestern Pennsylvania and the state.

The rankings, released in mid-May as part of the Guide to Southwestern Pennsylvania Schools, are based on how students performed on the 2022, 2023, and 2024 standardized Pennsylvania System of School Assessment (PSSA) in grades three through eight and high school Keystone Exams.

All the district's tested grade levels ranked in either the No. 1 or No. 2 spot in the region as follows:

Grade 3 – No. 1

Grade 4 – No. 2

Grade 5 – No. 1

Grade 6 – No. 1

Grade 7 – No. 2

Grade 8 – No. 2

Grade 11 – No. 1

"By working together to help make our students successful, every team member in the Fox Chapel Area School District contributed to this honor," said Superintendent Dr. Mary Catherine Reljac. "Although standardized test rankings are only one measure of a school district, it is impossible to be successful without dedication, continuous improvement, and hard work from everyone in the school community."

UNIFIED ESPORTS TOURNAMENT A 'SMASH'ING SUCCESS

Fox Chapel Area students and their peers from three other school districts faced off in an ultimate showdown at the first annual Unified eSports Tournament, held at O'Hara Elementary School.

The students, in grades 6-12, competed against one another in Nintendo's popular Super Smash Bros. The top three students after tournament play advanced to the final bout, and all were students from Dorseyville Middle School. The winner of the tournament was DMS eighth-grader Nathan Ko. Also participating in the tournament were teams from Freeport Area and Beaver Area school districts, and Pittsburgh Public Schools.

The Unified eSports league was made possible by a \$35,000 Moonshot Grant from The Grable Foundation and the Claude Worthington Benedum Foundation, and an additional grant from PlayVS for equipment and gaming codes.

STUDENT-ATHLETES TO CONTINUE CAREERS AT NEXT LEVEL

Twenty-nine recent Fox Chapel Area High School graduates signed and/or committed to further their academic and athletic careers at the collegiate level.

Some of the 2024-2025 athletic accomplishments are:

- Twenty out of 27 teams qualified for the WPIAL and/or the PIAA playoffs.
- Carson Kittsley was the PIAA Class 3A boys golf individual champion.
- Sarah Pasquella won gold in the 200 yard freestyle at the PIAA Class 3A swimming and diving championships.
- The boys soccer team won the WPIAL Class 4A championship.
- Ethan Vaughan was the WPIAL Class 3A cross country champion.
- Owen Howell placed first in the 200 yard individual medley at the WPIAL Class 3A swimming and diving championships and Sarah Pasquella won gold in the 200 yard freestyle. The girls 200 yard freestyle relay team of Sarah Pasquella, Grace Kovach, Josephine Stanczak, and Charlotte Rusche won a gold medal. The same team placed first in the 400 yard freestyle relay.
- The girls golf, girls soccer, girls swimming and diving, and field hockey teams finished as WPIAL runner-ups.
- The Fox Chapel Area High School cheerleading squad qualified for nationals for the third consecutive year.
- Four teams – boys cross country, girls golf, girls soccer, and boys soccer – qualified for the state playoffs.
- Michael Worsen qualified for the PIAA Class 3A wrestling championship.
- Seven teams were named section champions, and five had undefeated records in their sections (boys golf, boys cross country, girls soccer, boys swimming and diving, and boys tennis). The girls golf team and the boys soccer team also won their sections.
- Team QPA awards went to the girls cross country team (4.15 QPA) and boys indoor track team (4.03 QPA).
- The cumulative QPA this year for all boys varsity teams was 3.91, and for the girls, it was 3.70.
