Wintergiving

Weatherbee Winter Giving 2025

Dear Parent/Guardian,

The holiday season will be here before we know it and we are looking for families that may benefit from our generous community.

Our Weatherbee Winter Giving project benefits Weatherbee families who find themselves in need of assistance during the holiday season. The Weatherbee Winter Giving project is generously supported by fellow Weatherbee families as well as teachers and staff.

If your family would like to participate in this program, please fill out the attached form and return it in an envelope to Mrs. Bickford by **November 25th**. This project strives to be confidential and Mrs. Bickford (school social worker) and Mrs. Silkmitter (school counselor) will continue to work to protect privacy.

If you would like to support our project, we will have gift tags available to choose from in the main entrance at Weatherbee the week of **December 1**. Please return unwrapped gifts, with the gift tag attached, to the Weatherbee office by **December 17th**.

Dates To Remember:

November 25 - If you would like to benefit from the Weatherbee Winter Giving project, please return the attached form with needs/wants in an envelope to Mrs. Bickford

Starting the week of **December 1** - Gift tags will be available in the Weatherbee main entrance

December 17th - Please have all unwrapped gifts with their gift tags attached donated to the Weatherbee office

Week of December 17th-19th - Mrs. Bickford and Mrs. Silkmitter will be contacting families for gift pick-up options

am and again from 4:30-6:00 pm and
on Fridays from 9:00 am to 10:00 am.
Families may access food weekly.

Nurse's Corner

Bundle Up! Winter Safety Starts Now

As the temperatures start to drop, it's time to make sure our students are warm, safe, and ready for the winter season! A few simple habits can help everyone stay cozy and healthy all season long.

Dress for the Weather

Cold mornings can sneak up quickly! Please make sure your child comes to school with:

- A warm coat, hat, and mittens or gloves
- Waterproof boots and extra socks for snowy days
- Labeled clothing so lost items can find their way home

*** Tip: Keep a spare pair of socks or mittens in your student's backpack—wet gear makes for a chilly day!

Stay Healthy in the Cold

Even when it's cold, hydration matters! Students can still get dehydrated in winter.

- Pack a water bottle—warm classrooms and cold air can dry us out.
- Encourage handwashing and covering coughs to prevent colds and flu.

Nurse's Note

Thank you for helping our students stay safe and comfortable this winter! Keeping kids warm, being hydrated and healthy helps them focus on what matters most—learning and having fun.

Stay warm!
