Dear Wyoming Primary Families,

I hope you all enjoyed the snow day this week! It has been such a joy hearing students share their snowy adventures—they came back with big smiles and fun stories! As we move into the darkest stretch of the year, your partnership in keeping everyone safe becomes even more important. In recent weeks, our crossing guards have experienced a few close calls, and we want to do everything we can to protect them as well as our students during these busy arrival and dismissal times.

Please help us by slowing down, staying alert, and following these essential procedures:

- Hilltop @ FUMC: Only cross Springfield Pike at the crosswalk.
- Elm: Avoid parking in the yellow zone or in front of the fire hydrant.
- Vermont: Proceed slowly in the drop-off area (no turn-arounds).

Thank you for doing your part to keep our students, staff, and crossing guards safe—especially on those rainy, snowy mornings when visibility is low and extra caution matters most. We're grateful to partner with you in creating a safe, caring start and end to every school day.

**WSMA proudly announces their December fundraiser: *Tunes and Treats!*** Swing by the high school **9 a.m.-noon Saturday, December 13th** for a free concert featuring performances by our talented primary, middle, and high school students.
