 **Congratulations to our Cougar Pride Winner, Quinn McGeary!** Please see Mrs. Wells in P1 during break to choose your spirit t-shirt!

 **After Day One, CMS has raised \$159.81 for The Food Bank for Monterey County.** At the moment, the eighth graders are in the lead with NEGATIVE 2363. The sixth graders are in second place with NEGATIVE 4193 points, and the seventh graders are in third place with NEGATIVE 4663 points. Please remember that coins add points to your grade level, and paper money and checks subtract points from your grade level. Remember, this Money Battle is to help our Monterey County residents in need during the holiday season! Please keep the money coming in. If we want to make it to our goal of raising more than last year, we need to raise another \$4,883.92.

This past Friday, our Orchestra, Choirs and Band showcased their Winter Concert at Tularcitos and River Schools. They did a fabulous job, made a positive impact on our elementary school students and got them excited about the middle school music program! This Tuesday night, December 9th, our string orchestra, choirs and concert band will have their winter concert here in the CMS gym. The show starts at 7PM. Next Tuesday night, December 16th our 6th grade Cougar Cub band and orchestra will have their debut middle school performance. This concert will take place in the theater and will also begin at 7PM. We hope to see you there!

 **CMS is accepting donations in support of the Carmel Valley Angel Project.** The collection bin is located in our main office. The CVAP supports families during the holiday season by providing food, toys, and other important items to those in need. This year CMS will be focused on collecting SMALL items for infants and children that could fit in a stocking such as toothbrushes, socks, crayons, jewelry, flashlights, silly putty, small Lego sets, small toys, stickers, balls, hot wheels, or other small toys/items. Items can be placed in the red collection bin in the CMS office now until December 12th. CVAP is **unable** to accept gift cards for this event.

 **Students: Would you like to participate in a Science Fair experiment?** If so, we have the opportunity for you! There are sign-up sheets in each of your Science classrooms - ask your teacher about it and sign up! When it's your turn to participate, you'll receive an email from fellow student, Carmel Rephaeli, instructing you to head to Mr. Steely's Room with your laptop. Treats will be provided and some teachers may be offering extra credit for your participation. So, sign up in your Science classroom today - this experiment is open to all grade levels. Did I mention that treats will be provided?
