

Good Morning Southwest Family,

This is Dr. Richmond calling with an important announcement about dismissal.

Today, school will be dismissed at 12:10pm.

**This means that all after-school activities are cancelled. There will no practices and there will not be Operation Xcel after school.** Please ensure that your student knows how they are going to get home after school. School will start at the regular time, and all students will be served lunch prior to leaving. This also means that this evening's chorus concert has been cancelled.

If you have any questions, transportation questions, or need anything then please reach out to us at 336-819-2985.
