

Parental/Student Acknowledgment of MN ConnectEd Enrollment

Please review and acknowledge the following important expectations regarding the decision to enroll in MN ConnectEd.

District Enrollment: Your student will remain enrolled in the Marple Newtown School District while participating in the virtual program and will continue to earn credits towards a MNSD diploma upon successful completion of all coursework.

Attendance and Coursework: As per MNSD [board policy 204](#), your student is expected to maintain regular attendance and complete all assigned coursework to earn course credits. Attendance is determined via daily logins and coursework completion. Attendance will be monitored for truancy.

Student Conduct: Students enrolled in MN ConnectED are expected to adhere to all District policies, student code of conduct, and any other expectations that apply in an in-person setting. Violations will result in the same disciplinary actions as if the infraction occurred in a MNSD school.

Instruction: Your student's instruction will be provided by an Edmentum teacher, not a MNSD teacher.

Students with Special Education Services: For students with an IEP or GIEP, a MNSD case manager will be assigned to monitor progress.

Students with 504s: For students with a 504, a MNSD teacher will be assigned to monitor progress.

Students with ELL Services: For students receiving ELL services, a MNSD teacher will be assigned to monitor progress.

State Testing: Your student is expected to participate in all state-mandated testing (e.g., PSSA, Keystone Exams).

Graduation Requirements: Your student is expected to continue working towards the completion of all graduation requirements (course credit accumulation, senior project, etc.).

Course Selection: All course selections will be approved by the Building Principal, and will not exceed a typical semester/year of in-person coursework. Course acceleration beyond the school year is not permitted.

Extracurricular Activities/Field Trips/Building Programs/Special Events: Extracurricular participation/field trip/building programs/special event expectations and guidelines apply to *all* MNSD students, both in-person and enrolled in MN ConnectEd, such as attendance, grades, behavior, etc.

Athletics: Athletic expectations and guidelines apply to *all* MNSD students, both in-person and enrolled in MN ConnectEd, such as PIAA eligibility.

Adjudicated Students: Any adjudicated student is ineligible to participate in athletics, extracurricular activities, field trips, building programs, special events, etc. and is prohibited from all District properties as well as all school sponsored events, home or away.

Points of Contact:

- *Edmentum Teachers:* If you have any questions regarding your student's progress within a course, the Edmentum Teacher or Success Coach (if assigned) should be the first point of contact.
- *MNSD Teacher of Special Programs:* Our Teacher of Special Programs, Dr. Rachel Stunzi serves as a liaison between Edmentum and the school. You will receive communications from rstunzi@mnsd.org regarding any missed work, lack of progress, etc.
- *MNSD Case Manager:* If your student has a case manager, Dr. Rachel Stunzi will serve as the case manager and should be contacted if there are any concerns with progress.
- *MNSD Assistant Superintendent of Teaching and Learning:* If you have any questions specific to the Edmentum curriculum or the MN ConnectED enrollment process, contact Dr. Kevin Fagan, kfagan@mnsd.org
- *Building Principal:* If you have any questions regarding your student's transcripts, report cards, graduation/credit status, or extracurricular activities/special events, etc. contact your home building's administrative team.

Please sign below to acknowledge your understanding of expectations detailed in the MNSD acknowledgement above.

Parent/Guardian & Student Acknowledgment:

I acknowledge that I have reviewed the MNConnectEd student responsibilities and expectations with my student. We understand and accept the expectations for participation as a MNConnectEd student in the Marple Newtown School District.
