

BBCHS Academic Foundation

ANNUAL APPEAL
 Year Eight

We've reached \$1 million — let's keep the momentum going!

Last year's donations totalled over \$11,500

Dear BBCHS Friend,

As we reflect on this past year, one thing stands out above all: **gratitude.**

Thanks to the generosity of loyal alumni, dedicated former teachers, proud parents, and caring community members like you, the **BBCHS Academic Foundation** has reached an incredible milestone — **\$1 million in total funds!**

That number represents so much more than dollars. It represents **belief** — in our students, our teachers, and the power of education to change lives. Because of your support, the Foundation has proudly awarded:

\$35,000 in classroom grants each year, fueling innovative ideas and hands-on learning experiences across BBCHS.

\$26,000 in scholarships annually — many created in loving memory of family and friends — helping graduating seniors take their next steps with confidence and pride.

These achievements are only possible because people like you continue to say yes to investing in BBCHS students. But our work isn't done. Each year, inspiring teachers bring forward new ideas that stretch beyond the district budget. Bright, hard-working students apply for scholarships that make higher education possible. Your gift today ensures that the Foundation can continue saying yes to their dreams.

As we celebrate this milestone, we invite you to help us take the next big step forward. Your gift — in any amount — makes an immediate impact.

Together, we can keep the spirit of excellence at BBCHS growing for generations to come.

With gratitude and Boilermaker pride,

Academic Foundation Directors
