## **Unit 4:** Independent Living Skills: Self Care and Stress Management

### **Stage 1: Desired Results**

#### **Standards & Indicators:**

ELA.EE.RL.9-10.4 Determine the meaning of words and phrases as they are used in a text, including idioms, analogies, and figures of speech.

ELA.EE.RI.9-10.3 Determine logical connections between individuals, ideas, or events in a text.

ELA.EE.RI.9-10.10 Demonstrate understanding while actively engaged in reading or listening to literary nonfiction.

ELA.EE.W.9-10.2 Write to share information supported by details. a. Introduce a topic clearly and use a clear organization to write about it including visual, tactual, or multimedia information as appropriate. b. Develop the topic with facts or details. c. Use complete, simple sentences as appropriate. d. Use domain specific vocabulary when writing claims related to a topic of study or text. e. Not applicable f. Providing a closing or concluding statement.

ELA.EE.W.9-10.6 Use technology, including the Internet, to produce, publish, and update individual or shared writing products.

ELA.EE.SL.9-10.5 Use digital media (e.g., textual, graphical, audio, visual, and interactive elements) in presentations to support understanding.

ELA.EE.L.9-10.3 Use language to achieve desired outcomes when communicating

ELA.EE.SL.9-10.1 Engage in collaborative discussions. a. Prepare for discussions by collecting information on the topic. b. Work with adults and peers to set rules for discussions. c. Relate the topic of discussion to broader themes or ideas. d. Indicate agreement or disagreement with others during discussions.

ELA.EE.L.9-10.4 Demonstrate knowledge of word meanings. a. Use context to determine the meaning of unknown. b. Identify and use root words and the words that result when affixes are added or removed. c. Consult reference materials (dictionaries, online vocabulary supports) to clarify the meaning of unfamiliar words encountered when reading.

L.KL.9–10.2. **Language. Knowledge of Language.9-10.2.** Apply knowledge of language to make effective choices for meaning, or style, and to comprehend more fully when reading, writing, speaking or listening.

- A. Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level.
- B. Vary word choice and sentence structure to demonstrate an understanding of the influence of language.
- C. Demonstrate independence in gathering vocabulary knowledge when considering a word or phrase important to comprehension or expression.

L.VL.9–10.3. **Language. Vocabulary Acquisition, Use and Literal Meaning.9-10.3.** Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grades 9–10 reading and content, including technical meanings, choosing flexibly from a range of strategies.

- A. Use context (e.g., the overall meaning of a sentence, paragraph, or text; a word's position or function in a sentence) as a clue to the meaning of a word or phrase.
- B. Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning, its part of speech, or its etymology.

## Life Skills

C. Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).

RI.CT.9–10.8. [Reading Informational.Comparison of Texts.9–10.8](#). Analyze and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) seminal and informational text of historical and scientific significance, including how they relate in terms of themes and significant concepts. 🌱

W.RW.9–10.7. [Writing.Range of Writing.9-10.7](#). Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of tasks, purposes, and audiences.

SL.PE.9–10.1. [Speaking and Listening.Participate Effectively.9-10.1](#). Initiate and participate effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with peers on grades 9–10 topics, texts, and issues, building on others’ ideas and expressing their own clearly and persuasively.

SL.UM.9–10.5. [Speaking and Listening.Use Media.9-10.5](#). Make strategic use of digital media (e.g., textual, graphical, audio, visual, and interactive elements) in presentations to enhance findings, reasoning, and evidence and to add interest. 🌱

### Career Readiness, Life Literacies and Key Skills

Standard	Performance Expectations	Core Ideas
9.4.12.CI.3	Investigate new challenges and opportunities for personal growth, advancement, and transition (e.g., 2.1.12.PGD.1).	Innovative ideas or innovation can lead to career opportunities.

#### Central Idea/Enduring Understanding:

- Everyone has stress and uses different ways to manage it.
- All people need to practice self care and be aware of their feelings.
- All people need to communicate their feelings accurately to have their needs met.
- Empathizing with others and being aware of their feelings makes us better friends and co-workers.

#### Essential/Guiding Question:

- How am I feeling?
- What can I do to manage uncomfortable feelings in a variety of settings?
- What are others' feelings and how can I tell?
- Why is it important to practice self care?
- Why should I be aware of myself and others?
- What ways can I appropriately communicate about my feelings?
- When should I communicate about my feelings?
- Understanding rules of conversation (eye contact, body language, active listening)?

#### Content:

- Identify stressors.
- Identify different emotions.
- Healthy ways to manage emotions.
- Compare good stress and bad stress.
- Try various ways to manage stress.
- Design a stress management plan.
- Define and practice empathy.

#### Skills(Objectives):

- Identify different emotions and how they affect you.
- Demonstrate ways to care for your feelings and the feelings of others.
- Read body language and communicate feelings effectively with others.
- Understanding rules of conversation (eye contact, body language, active listening)?

**Interdisciplinary Connections:** Students will learn to self advocate across settings to build independence and transition into the high school program across various class and community settings.

### Stage 2: Assessment Evidence

#### Performance Task(s):

##### Performance Task 1:

- Design a personal plan for stress management.

#### Other Evidence:

- Structured Observations
- Rubric
- Complete supplemental worksheets, tests, and quizzes on material covered
