Partner Recognition: EF2 Realty

Requested Action

School Board Partner Recognition: EF2 Realty

Summary Explanation and Background

The Cherokee County School Board recognizes the outstanding partnership of the EF2, Education First Fund, Realty Team Powered by Keller Williams Realty Partners.

The real estate company recently surpassed donating more than \$300,000 to partner CCSD schools since beginning its school give-back program in March 2018.

Co-Founders Dr. Keith Ingram, a retired CCSD Principal, and Bruce Swanson, developed the program, which gives a donation to the CCSD school of the client's choice after a qualifying real estate transaction.

The team also supports partner schools through donations for fundraisers, giveaways for educators, and other positive initiatives. Numerous schools have recognized EF2 as their Partner of the Year, and Clark Creek ES STEM Academy successfully nominated the team for the Georgia Association of Elementary School Principals' Education Patron Award.
