Summary Explanation and Background

In response to the Board's priority to gather employee insights in alignment with Core Belief #2 — Employees are trusted and supported as professionals and provided with resources to elevate student outcomes — staff issued a Request for Proposal (RFP) for a Third-Party Personnel Survey on October 21, 2025.

A total of twelve vendors submitted proposals prior to the deadline of November 18, 2025. This initiative follows a comprehensive research study of school districts nationwide that utilize third-party personnel surveys to inform decision-making and enhance employee engagement.
