Superintendent of Schools Dr. Eric Jay Rosser
Mayor Malik Evans

What:

Senior March for World of Inquiry Class of 2026

When:

Wednesday, December 10, 2025, 10:00 a.m.

Where:

World of Inquiry (9:15 a.m.)
200 University Avenue
Rochester, NY 14605

City Hall (approximately 10:00 a.m.)
30 Church Street
Rochester, NY 14614

Details:

World of Inquiry’s senior class of 2026 will participate in a Senior March to City Hall, where they will mail letters declaring their aspirations after high school. This march provides a forum to celebrate seniors, encourage post-graduation plans, and inspire other students to follow in the seniors’ footsteps. Students are reminded that post-graduation opportunities are accessible to all in our District. While college applications are submitted online, these letters of intent will name the student’s college and career intentions with a note of gratitude for an adult who has supported and guided them in their academic and personal journeys.

The class of 2026 will march from World of Inquiry to City Hall. They are expected to arrive at City Hall at 10:00, where Mayor Malik Evans and Superintendent of Schools Dr. Eric Jay Rosser will greet them.
