Eagles Landing Middle School Participation Fee

Dear Parents and Supporters of Eagle's Landing Athletics,

With the 2025-26 school year getting underway, the Eagle's Landing Athletic Department would like to thank you for your continued participation and support. This school year will face us with many challenges, particularly funding our highly successful athletic programs. The successes we've experienced as an athletic department have been due in large part to the dedicated network of student-athletes, coaches, parents and volunteers with the same goal as our faculty and staff…excellence.

As education continues to struggle financially, we have remained steadfast in our dedication to provide the best academic and athletic programs in the county and the state. We can only provide those excellent programs with your support. We are requiring everyone that participates in athletics to pay a $40.00 Athletic Participation Fee. These funds will assist the Athletic Department in paying for expenses that include officials, letters and certificates, field maintenance and paint, medical supplies, region and state dues, sporting equipment and any other expenses associated with athletics.

This fee is separate from any specific sport fees your child may be asked to pay, and is not refundable after the 10 day period is complete. Students are required to pay this fee only once per school year no matter how many sports they may participate in. Families have a cap of $80 per year for multiple athletes. Thank you for your support of ELMS Athletics

Sincerely,
Athletic Director – Cordero Gordon

Please make checks out to ELMS Athletics and give to your child's head coach by the deadline listed below.
