

Manor New Technology High School

Manor New Technology High School is a **Science, Technology, Engineering, and Mathematics** (STEM) P-TECH, Pathways to Technology Early College High School. Scholars graduate with STEM endorsements and have the opportunity to also receive Business & Industry, and Public Services endorsements through several Career & Technical Education pathways with opportunities to earn industry-based certifications.

Manor New Technology High School, in partnership with Austin Community College, also gives scholars the opportunity to earn Level 1 certifications and enough college credits to be "Core Complete," while earning their high school diploma.

College Credit Opportunities

Advanced placement courses and Austin Community College Dual Credit courses are available to all scholars

Certification Programs

6 Industry-Based Certificates are offered. Certificates include Animation, Healthcare, Entrepreneurship, and more!

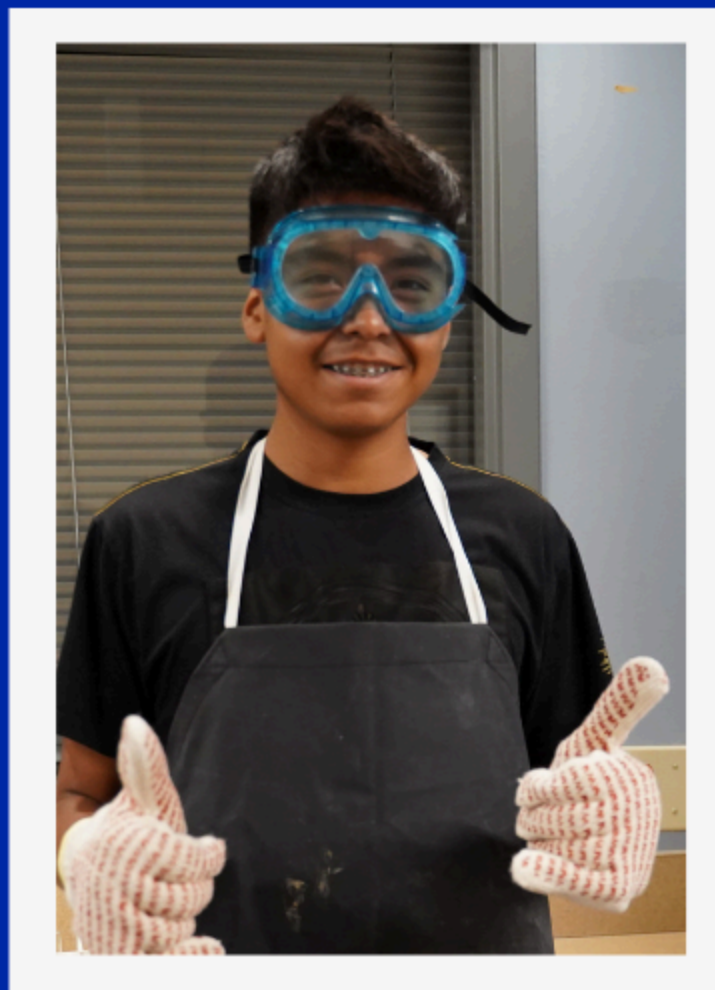

MNTHS is the right fit if...

Your scholar wants to belong to an inclusive, small school community known around the world for innovative teaching and learning that also has award-winning Fine Arts and competitive Athletics programs. If your scholar wants to earn college credits and certificates, and be prepared to join the military, MNTHS is the place for you!
