

CCIC Course Catalog

The below CTE Districtwide courses are available to all Cherry Creek School District students and take place at various locations. The registration process for CTE Districtwide courses vary. Please see the course descriptions for more information.

## Cosmetology

### Cosmetology I

Grade: 11, 12	Year: 6.0 credit	Estimated Course Fees: \$650 and cost of uniform scrubs
Concurrent/Dual Enrollment: Multiple opportunities available	Prerequisite: N/A	(increased fee TBD Jan. 2026)
Location: Colorado's Finest High School of Choice in Englewood	Course Type: Alternative Instruction/Work-Based Learning	

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. The Cosmetology program is a robust program that will prepare you to provide beauty services such as shampooing, cutting, coloring, styling, facials, manicures and pedicures. To be considered for this program, you must attend a parent meeting and orientation, as well as be on track to graduate in terms of credit hours. After applying, you will be contacted with more information. Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins approximately August 13, 2026. The \$650+ course fee includes cosmetology kit (used 1st and 2nd year; student keeps at completion of program), and consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session times: Option 1: Monday - Friday Morning Session (7:30 - 11:30am) OR Option 2: Monday - Friday Afternoon Session (12:00 - 4:00pm).

\*\*Summer session runs during the month of June and is required in order to enroll in Cosmetology II. Dates are to be determined, Monday - Thursday from 7:30am - 5:30pm.

To register for this course, scan the QR Code at the top of the page or visit <https://ccic.cherrycreekschools.org/prospective-students/ccic-course-catalog> and click on the link for the CCIC Application.

### Cosmetology II

Grade: 12	Year: 6.0 credit	Estimated Course Fees: \$75 and cost of uniform scrubs
Concurrent/Dual Enrollment: Multiple opportunities available	Prerequisite: Successful completion of Cosmetology I & Summer Session	
Location: Colorado's Finest High School of Choice in Englewood	Course Type: Alternative Instruction/Work-Based Learning	

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. Cosmetology II is a certificate program requiring 1,500 hours which equals 50 credits in cosmetology, hairstyling, nail technology and esthetics. Students will learn theory, practice in hair care, cuts, color, perms, styling, nail technology and skin care. Students are prepared for supervised clinical practice and entry-level jobs in the cosmetology field. Students also explore career pathways, post-secondary options and career research techniques such as application preparation, resume/letter writing, and interviewing process. This program prepares students to pass the state-licensing exam given by the Department of Regulatory Agencies Office of Barber and Cosmetology (DORA). Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins August 13, 2026. The \$75 course fee (will increase in Jan.'26) includes consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session times: Option 1: Monday - Friday Morning Session (7:30 - 11:30am) OR Option 2: Monday - Friday Afternoon Session (12:00 - 4:00pm). Cosmetology 2 students finishing in May will have the opportunity to take the Barbering crossover class in June 2026 (class days will be 6/1-6/4, 6/8-6/11, and 6/15).

To register for this course, scan the QR Code at the top of the page or visit <https://ccic.cherrycreekschools.org/prospective-students/ccic-course-catalog> and click on the link for the CCIC Application.

### Esthetics

Grade: 12	Year: 5.0 credit	Estimated Course Fees: \$350 and cost of uniform scrubs
Concurrent/Dual Enrollment: Multiple opportunities available	Prerequisite: N/A	(will increase Jan.'26)
Location: Colorado's Finest High School of Choice in Englewood	Course Type: Alternative Instruction/Work-Based Learning	

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. Estheticians, also called skin-care specialists, strive to make their clients look and feel younger and more attractive. They cleanse and beautify skin with facials and full-body treatments, apply makeup, remove facial or body hair with hot wax, give head and neck massages and may, with special training, perform microdermabrasion to remove imperfections and signs of age. Students are required to sell skin care products like those who run their own shops as entrepreneurs, involved in all phases of business management and marketing. To be considered for this program, you must attend a parent meeting and orientation, as well as be on track to graduate in terms of credit hours. After applying, you will be contacted with more information. Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins approximately August 13, 2026. The \$350+ course fee includes: esthetics kit (student keeps at completion of program) and consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session time is Monday-Friday, either at 7:30 - 11am or 12 - 3:30PM and will be determined by May.

To register for this course, scan the QR Code at the top of the page or visit <https://ccic.cherrycreekschools.org/prospective-students/ccic-course-catalog> and click on the link for the CCIC Application.

# Work-Based Learning

The Cherry Creek School District Work-Based Learning program is designed to connect students with career pathways of interest by partnering with businesses in the community. Through these experiences, students will have the opportunity to explore career pathways and develop career readiness skills.

## Career and Technical Education (CTE) Internship

Grade: 11, 12

Semester: 1.0

Estimated Course Fee: Summer School Fees Only

Concurrent/Dual Enrollment: N/A

Length: 100 Internship hours during Fall, Spring or Summer Semester

Location: Based on Internship

Course Type: Alternative Instruction/Work-Based Learning

The CTE Internship program will provide an opportunity for selected students to have experience in a career field that they would like to pursue after graduation. An internship is a form of firsthand learning that integrates knowledge and theory learned in the CTE classroom with practical application and skill development in a professional setting. This work/learning arrangement is overseen by the Work-Based Learning Instructor for CCSD. Within the internship, students can expect to do various work assignments, attend meetings, and complete projects. Professional success also depends on the level of student's maturity, responsibility and reliability. Internships can be paid or unpaid depending on the sponsoring company. Transportation is the responsibility of the student. This program is selective. To apply, the student must have taken a CTE course in the pathway they are pursuing. Students must apply and interview and be selected for an available CTE Internship. The student will then be enrolled in the course.

Applications for CTE Internship will be open during the second semester. Information on unique applications for each job will be available on the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101>; (or scan the QR code above). After applying, the Work-Based Learning team will follow up with next steps.

## Apprenticeship - Year 1

Grade: 11, 12

Year: 2.0 credit

Estimated Course Fee: N/A

Concurrent/Dual Enrollment: N/A

Length: 12-16 hours per week

Location: Based on Apprenticeship

Course Type: Alternative Instruction/Work-Based Learning

Through CCSD Apprenticeships, students earn a wage while receiving hands-on work experience where they can apply their high school CTE classroom learning each week. All apprenticeships take place during part of the school day while also taking courses needed for graduation. An apprenticeship lasts between 2-to-3 years to ensure that students have the experience to either enter the workforce upon completion and pursue relevant higher education if necessary to meet their career goals. All CCSD Apprenticeships begin during junior or senior year and span 1-to-2 years after graduation. This course is for first year apprentices who are hired into a CCSD Apprenticeship during their junior or senior year. Cherry Creek School District works collaboratively with industry partners each year to bring in new apprenticeship opportunities in CTE Pathways. In addition to the onsite apprenticeship, students will be responsible for attending seminars and completing weekly online activities throughout the duration of their apprenticeship. Eligibility depends on the application and interview process, in accordance with the student's maturity, reliability, commitment, and graduation status. Transportation is the responsibility of the student (free monthly RTD passes are available). This program is selective. Additional application materials and an interview are required.

Applications for CCSD Apprenticeship opportunities will be open during the second semester. Information on unique applications for each job will be available on the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101> (or scan the QR code above).

After applying, the Work-Based Learning team will follow up with next steps.

## Apprenticeship - Year 2

Grade: 11, 12

Year: 3.0 credit

Estimated Course Fee: N/A

Concurrent/Dual Enrollment: N/A

Length: 16-20 hours per week

Location: Based on Apprenticeship

Course Type: Alternative Instruction/Work-Based Learning

This course is for Apprentices as they continue the second year of their CCSD Apprenticeship. Current CCSD Apprentices will be given specific instructions from the Work-Based Learning team to register for this course.

# Future Educator Pathway

The Future Educator Pathway is a CTE Pathway that includes innovation, concurrent enrollment coursework, and an apprenticeship in a CCSD elementary school. Community College of Aurora (CCA) concurrent enrollment coursework counts directly towards a post-secondary teaching degree. Courses follow the hybrid model combining asynchronous and synchronous learning. For additional Future Educator Apprenticeship information, please see "Future Educator Apprenticeship" under the "Work-based Learning" section in the CTE District wide Course Guide. For more information about this program, please check the Cherry Creek Schools CTE website for schedules and links to upcoming informational sessions at [www.cherrycreekschools.org/cte](http://www.cherrycreekschools.org/cte).

## Future Educator - Year 1

Students will select "Future Educator - Year 1" in the CTE/CCIC Application and be automatically enrolled in the following courses:

Grade 11, 12

Estimated Course Fee: may be applicable

Concurrent Enrollment: 10 hours total

Location: Hybrid + Based on Apprenticeship

Length: 16-20 hours per week

Year: 4.0 credits (App. 1=1 credit per sem)  
(CE courses .5 per sem)

Prerequisite: N/A

Course Type: Alternative Instruction - WBL

### Apprenticeship - Year 1

This course is for Apprentices in their first year of their CCSD FEP Apprenticeship, and must be taken concurrently with the following CE courses:

#### EDU 2088 - Practicum II

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the education facility and with the direct guidance of the instructor.

#### EDU 2211 - Intro to Education

Focuses on the historical, social, political, philosophical, cultural, and economic forces that shape the United States public school system. This course includes current issues of education reform, technology as it relates to education, and considerations related to becoming a teacher in the state of Colorado. The course addresses the educational theory and practices from Early Childhood Education (ECE) through secondary education.

#### COM 1250 - Interpersonal Communications

Combines the basic theories of communication with public speech performance skills. Emphasis is on speech preparation, organization, support, audience analysis, and delivery.

#### EDU 2611 - Teaching, Learning & Technology

Explores integration of technology instruction into teaching practices used in preschool through postsecondary (P-21) educational settings for all curriculum areas of content. This course reviews a variety of technologies with an emphasis on increasing student learning and retention of knowledge. The course also explores combining technology with several instructional methodologies to promote professional teacher dispositions related to technology-rich teaching.

## Future Educator - Year 2

Students who have successfully completed Future Educator - Year 1 courses, will select "Future Educator - Year 2" in the CTE/CCIC Application and be automatically enrolled in the following courses:

Grade 11, 12

Estimated Course Fee: may be applicable

Concurrent Enrollment: 10 hours total

Location: Hybrid + Based on Apprenticeship

Length: 16-20 hours per week

Year: 4.0 credits (App. 1=1 credit per sem)  
(CE courses .5 per sem)

Prerequisite: N/A

Course Type: Alternative Instruction - WBL

### Apprenticeship - Year 2

This course is for Apprentices in their second year of their CCSD FEP Apprenticeship, and must be taken concurrently with the following CE courses:

#### SCI 1055 - Integrated Science I w/Lab

Examines the nature of energy and matter, their interactions and changes, and the application of fundamental concepts to the study of our natural world. These concepts will be explored in hands-on laboratory experiments. This course integrates the fundamental concepts and ideas about the nature of physics and chemistry with the natural world. This is a statewide Guaranteed Transfer course in the GT-SC1 category. Note: Both semesters of SCI 1055 and SCI 1056 must be completed in order to receive GT credit.

#### EDU 1551 - Apprenticeship Fostering Well-Being

Explores the principles of well-being, belonging, and inclusion through inquiry-based practices. Topics include inquiry-based pedagogy, inclusive learning environments, bias in the classroom, social and emotional learning (SEL), culturally responsive teaching, and community engagement. The course covers strategies to support the holistic development of all learners and the vital role of collaboration with colleagues, families, and communities. The course includes opportunities for reflection in these areas.

#### SCI 1056 - Integrated Science II w/ Lab

Examines earth and biological systems, living and non-living environments, through the application of fundamental energy and matter concepts. These systems and concepts will be explored in hands-on laboratory experiments. This is a statewide Guaranteed Transfer course in the GT-SC1 category.
