

Unlocking Potential for 30+ Years

Per Scholas is celebrating 30 years of impact and expanding access to high-growth tech careers, fostering economic mobility nationwide.

Since 1995, we've offered no-cost tech training to more than 30,000 technologists in the most sought-after tech skills, generating over \$2 billion in increased personal earnings. We are building a future where successful careers in tech are accessible to everyone across urban, suburban, and rural communities, empowering individuals to unlock their potential and drive transformative economic change nationwide.

Career Coaches + Learner Support

In addition to Career Coaches supporting mock interviews, job search prep, and one-on-one coaching, learners have access to a dedicated Learner Support team of licensed social workers and financial coaches who provide confidential guidance, tools, and resources to support learners in achieving their goals.

Continued Post-Training Resources

Per Scholas alumni join a network of over 30,000 learners trained and 850+ employer partners nationwide. Our alumni gain exclusive access to career-specific learning plans, as well as volunteer and mentorship opportunities.
