New Items to Discuss/Approve

- Continuous Improvement Process: SIP: Act 2 - Status Check 1
 - Dr. Griffin reviewed SBAC scores in Math and ELA from Spring 2025

Fay Galloway Elementary School

- Dr Griffin reviewed MAP data from the Fall 2025 and projected proficiency for the year.
- Dr. Griffin reviewed Goal 1 strategies Act 2 Status note checker. Projected proficiency highest in 2nd grade and lowest in 5th grade. Reviewed NOW, NEXT, and NEED for action plan. Discussed aligning IEP goals with goals and strategies for Act 2 goals. The budget will determine how plans move forward for the year (cutting peer observation strategy if not enough staff members).
- Inquiry area 2 being addressed by PLC documents and implementation. Review PLC procedures with teams and discuss tools for staff use.
- Inquiry Area 3: connectedness. Looking at second step data and 5 star data. Addressing chronic absenteeism compared to the previous 2 years. Currently at 17.8%.
 - SSA position being eliminated will affect one implementation strategy.
 - Reflecting on why Be Safe data is lower than Be Respectful and Be Responsible. Possibly due to more emphasis on those in the classroom environment.
- Anna Binder asked how moral is holding up. Holman expressed concern for student safety with losing so many staff members. Criscione explained that morale is somber currently. Waiting for budget results has been difficult for all.

Anna Binder Motions to approve the SIP, Hannah Criscione seconds. Motion passes unanimously.

- SOT Election
 - 3 parent nominations. Vote put out for the first 3. 3 more have been nominated for the 4th seat. A second survey will go out for the runoff.
