Minutes:

Welcome and Roll Call

- Approved November 9, 2022 meeting minutes: first by Kim Macleod and second by Dwayne Hushaw

New Items to be Discussed/Approve

- Review revised School Performance Plan (2022 – 2023 School Year)
 - Each SOT member present received a copy of plan. Mrs. Smith reviewed the new/adjusted areas of the plan. Each of those sections were presented and discussed, specifically the revised SBAC and MAP goals along with school climate goal. The discussion was related to the school adjusting the SBAC goal because it was not only reached but exceeded. The MAP should be a predictor for SBAC however, was not a good predictor last school year. The school's CBI committee identified the need for MAP to be taken more seriously. As a result, for the winter MAP administration, teachers set goals for their grade levels as well as individual goals with their students. The MAP goal was adjusted to incorporate the current fall data. Winter will be updated after final tests are completed.
 - The school climate goal was related to bullying. The percentage of students who feel bullying takes place at our school increased last year, from the previous school year. It was discussed that last school year was difficult because the students were learning to co-exist again. SOT members stated they are happy the school is including this goal but also discussed how appreciative they are that Galloway takes all matters seriously, even the small ones.

General Discussion

- Future agenda items to include the Impact Program and 2023 – 2024 Strategic Budget
