How is our school doing overall?

Accountability and assistance levels

Our school Level 1 — Meeting gap narrowing goals

Our district Level 2 — One or more schools in the district classified into Level 2

Most **schools** are assigned a level from 1-5, with those meeting their proficiency gap-narrowing goals in Level 1 and the lowest performing in Levels 4 and 5. A **district** is typically assigned a level based on the level of its lowest performing school. Placing schools and districts into levels helps districts know which schools need more support, and helps the state know which districts need the most assistance. More information is available here: http://www.mass.gov/ese/accountability.
