Congratulations to all our teachers for your continued effort and commitment with Amira. Our campus goal is to reach 100 percent completion for Wave 2 in February. We have many new students who will need our support to catch up, but I know we can do it together.

We were ranked number one for Wave 1 in the district, and we want to hold that place for Wave 2. Amira plays a huge role in helping our students grow in reading fluency and comprehension—MAP data shows are our biggest opportunities as a campus.

Thank you for your hard work and consistency. Let's continue working together to help our students become excellent readers and confident learners. Our Eagles soar because of you.

WHAT INCENTIVES CAN WE IMPLEMENT TO REACH 100% COMPLETION BEFORE MAP, DIBELS, AND TELPAS SO WE CAN MEET ALL OF OUR GOALS?
