## School Supply List

Clark County School District provides necessary supplies for all students to meet their educational needs. However, we understand that sometimes parents choose to buy school supplies for their child(ren). Should you decide to purchase supplies, the following items would be appropriate by grade level. Please do not label supply items as we share supplies. If you would rather, you may donate up to a \$25 cash donation to purchase classroom supplies. Please bring your donation to the Front Office.

If you purchase a backpack, lunchbox, pencil box, etc., for your child's personal use, **please label them with your child's name**. Do not bring staplers, permanent markers, or pencil sharpeners to school.
