 **The sixth graders have taken over the lead of the CMS Money Battle**, but we only added \$45.88 to our collection for the Food Bank yesterday. If we are going to reach our goal of raising over \$5000, we need to start bringing the money in as soon as possible. We only have five school days left before the battle is over. At the moment, the sixth graders have NEGATIVE 3,878 points, while the eighth graders are in second place with NEGATIVE 4,163 points, and the seventh graders are in third place with NEGATIVE 6,190 points. Remember, coins add points to your grade level, and dollars and checks made out to The Food Bank for Monterey County subtract points from other grade levels. All of the money donated is going to a great cause. We want to ensure that every Monterey County family has food on their tables this holiday season. Please continue to bring in your change and dollar bills.

 **Tonight, our String Orchestra, Choir and Concert Band will have their Winter Concert here in the CMS gym.** The show starts at 7pm. We hope to see you there!

 **The Spelling Bee is coming up in January!** Sign up with your language arts teacher or on the CMS Library Website. The competition begins at grade level, where the top three winners from each grade will advance to the school-wide competition to battle for the ultimate title. Stop by the library to pick up a study list and sign up today!

 **Attention 7th & 8th Graders:** As we are quickly moving through our second quarter, please note that if you are interested in applying for CJSF (California Junior Scholarship Federation), your official semester grades will be used for acceptance into this program. Our second quarter officially ends on December 19th. If you pride yourself on high scholastic achievement and have a passion for community service, please consider applying for CJSF at the end of the second quarter. Applications will be available in our office beginning JANUARY 7th through JANUARY 23rd and must be turned into your School Counselor, Ms. Magreta, on time!

 **The longest two innings in 7th Grade Wiffleball history were played yesterday** when the *Ishler/Wells Weshlers* and *Princess Loosley's Winning Willinghams* crawled out onto the field at Wiffler's Park. The two teams matched each other's intensity with the first inning ending with a score of 2-1. The **Winning Willinghams** wanted nothing to do with being behind, so they laid on a 8-run inning thanks to TWO three-run homers by Cash Saunders and Andrew Fosmark. You'd think a 7-run lead was enough, but Ishler's squad poured it on and had their own 8-run inning thanks to a lot of great base running. The game ended in a 10-9 nail-biting win by the *Ishler/Wells Weshlers*.
