

December 2025 Transportation Newsletter

Dear Parents and Guardians

As we enter the month of December, we want to thank you for your continued partnership in keeping our students safe and on time each day. With cooler weather, holiday events, and early sunsets, your support is more important than ever. Please take a moment to review these reminders to ensure a smooth and safe transportation experience this month.

🎄 Winter Transportation Tips

- Please arrive at the bus stop no more than 15 minutes early, especially during colder weather.
- Dress students warmly in coats, hats, and gloves—temperatures can drop quickly during early morning routes.
- Remind children to be extra cautious and stay visible during darker mornings and evenings.
- Encourage students to stay seated, listen to the driver, and keep aisles clear of backpacks and winter gear.
- If your child drops something outside the bus, remind them never to pick it up without the driver's signal.

👶 PreK/Kindergarten Families

- An adult must be present at the bus stop to receive your child.
- If no authorized adult is available, your child will be returned to the school for safety.

❄️ Holiday Season Reminder

As we approach winter break:

- Expect heavier traffic near schools during holiday programs.
- Buses may take a little longer during inclement weather.
- Safety will always remain our first priority.

Thank you for your patience and understanding during this busy time of year.
