

CARA CARA

DID YOU KNOW?

- Cara Cara Oranges are a type of navel orange.
- Cara Cara Oranges are round with a bright orange rind and have a distinct pinkish-red and orange flesh.
- Cara Cara Oranges taste extremely sweet and have a tangy, cranberry-like flavor. And if that's not enough, they're seedless, too!
- Cara Cara Oranges are an excellent source of vitamin C.

FUN FACT!

Oranges are one of the few fruits that will not over-ripen if left on the tree.
