

# Weekly Update from Seely Place

[December 5, 2025](#)

*Scenes from around Seely Place*

Dear Seely Place Families,

The week of December 9th, we have parent-teacher conferences for all students at Seely Place. Parent-teacher conferences are a great opportunity to hear about your child's progress, meet their teacher, and support the home/school connection. We

hope that you have already scheduled your meeting with your teacher. If for some reason you are unable to make the conference, please contact your child's teacher as soon as possible.

Our specials teachers (art, music, library, and physical education) and related service providers (reading, math, and speech) will be available in their respective spaces for brief 5-10 minute conferences. For related service providers, you should have already received instructions on how to schedule a conference. If you would like to arrange a meeting with one of our specials or support teachers, please reach out to them via email. They will also be available in their offices or classrooms during Parent-Teacher Conference times for drop-in visits. We hope this opportunity provides valuable support and insight as we collaborate to ensure your child's success.

During the parent-teacher conference days next week, we will put all of our lost and found items on a clothing rack by the APR. Please take a look for items that your children may be missing. Anything not collected by winter break will be donated to a local children's shelter.

Please remember that all students will have half days on December 10th, 11th and 12th. Dismissal will be at 11:30am. The YMCA is open for those who are already registered.

On December 12, report cards will be available for all students in first through sixth grades. If you do not have your login for Infinite Campus, please contact Brent Kammerer at [bkammerer@edgemont.org](mailto:bkammerer@edgemont.org). If you do not know how to access the report cards on the portal, please use this [document](#) for directions on how to login to Infinite Campus to view your report card.

Finally, beginning in the new calendar year, we will be transitioning away from our traditional weekly message. Our focus will be to share timely and pertinent information whenever necessary.

***Please read below for important updates specific to Seely Place:***

**Outside Attire:** As the weather gets colder, we will continue to go outside each day unless it is too cold or raining. Please send your children to school with a coat and closed shoes during the winter months so that they are comfortable when they go outside.

**Mark your calendars:**
