

Home of the Pharaohs

Raleigh-Egypt High School

As we approach the final days of Semester 1, it's a great moment to pause and reflect on the incredible work that has taken place in our classrooms. Teachers have poured their energy into creating engaging lessons, supporting students through challenges, and fostering a positive learning environment. Your dedication has not gone unnoticed!

The end of the semester can feel like a whirlwind—grading, exams, and wrapping up projects—but it's also an opportunity to celebrate growth. Think about the progress your students have made since August. Every small victory, every breakthrough moment, and every lesson learned contributes to their success.

GREATNESS GROWS

- **Reflecting and Growing:** Teachers engaged in meaningful reflections on Semester 1 during PLCs. As we continue to GROW, let's ensure we address any challenges and remove all thorns along the way!
- **Celebrating Excellence:** The National Honor Society hosted its first NHS Banquet at the Junior League of Memphis, where each member was proudly pinned in recognition of their outstanding academic achievements.
- **Community Representation:** The REHS Sounds of SOUL Marching Band showcased their talent at the Grand Opening of Raising Cane's on Germantown Parkway. All participants were treated to complimentary meals for their next visit—a well-deserved reward!
- **Professional School Counselor and Graduation Coach Dorsey** proudly represented the **RED** and **BLACK** at the MSCS District-Wide 8th Grade High School Fair, showcasing the excellence and opportunities that flourish at **REHS!**

What's Coming Up
