New Miami Parent, Family, and Community Engagement Model

Vision: We will work collaboratively to support all New Miami staff and students

Family Engagement Mission:

-Provide opportunities to students that they may not have access to outside of school

-Create unity amongst students, families, and school staff

-Promote more festive and engaging activities specific to our grade level

	Indicator	Action Step	Resources	Person(s) Responsible	Time Frame	Measures of Success
Goal #1 Teaching & Learning	Engage families in academic interactions with their children	Actively engage families in academic interactions with their children when children are present	Trainings, Community Partners, Families, Administration	Administration	Four events planned during school year for reading, math, and date	Staff plan and offer resources based on families individualized needs and response
Goal #2 Family Partnerships	Families are partners in developing and achieving goals	Support families and staff in developing skills to be effective leaders and advocates	Parent/Teacher Conferences, Professional Development, Team Meetings	Families, Teachers, Administration	Four events planned during school year to build community	Increased parent participation in events inviting families

Please see the building calendars each month for a listing of parent and family events.
