- **Push-In Model:** Related Services provide services directly in the classroom setting to support skill generalization in real environments

## ABOUT SEDOL & LASSO 3

SEDOL is a dynamic and comprehensive cooperative educational system partnering with 31 local school districts to serve their students facing physical, cognitive, emotional, and other learning challenges. Our mission is to provide "Exceptional Services for Exceptional Students by Exceptional Staff."

LASSO 3 provides a highly individualized and structured environment to help students develop and strengthen their language and communication skills and manage their sensory needs. Guided by a collaborative team of dedicated staff, we provide a supportive community for learners and families where everyone belongs. With a strong focus on essential life skills, we help students develop meaningful abilities for everyday success while offering ongoing opportunities for growth through structured and individualized experiences.
