

## GET IN TOUCH

If you would like to learn more about our programs, please contact us.

*Students are placed in SEDOL programs through the IEP process. Please contact your student's home school district for additional placement information.*

## SERVICES OFFERED

- **General Education Inclusion:** Students referred for this program generally require a small, structured academic setting with opportunities for supported integration into regular education classes. The TAB program allows students to attend academic classes, lunch, art, PE, music, and electives in the mainstream environment as suits their abilities.
- **Family Communication:** Written updates are sent home to parents daily in the form of a behavior sheet. Staff maintain a communication log that summarizes the behavior sheet. Phone calls and emails are utilized as needed to build and maintain the student's team. Parents are encouraged to become an active part of the team, making the home and school united.

## Teaching Appropriate Behaviors (TAB)

### AT SECTOR

The TAB program supports students in developing the social and academic skills needed for success in the classroom. The program focuses on teaching positive behaviors, building new learning strategies, and reducing behaviors that interfere with academic progress. Through a combination of structured instruction and supportive experiences, students practice positive interactions with peers and adults.

## PROGRAM TEAMS

### Classroom Team

- Special Education Teachers
- Paraprofessionals

### Related Services Team

- Sector Supervisor
- Administrative Assistant

*All services provided to students are determined by the educational team through the IEP process and are documented in the student's Individualized Education Plan (IEP).*

## ABOUT SEDOL & TAB

SEDOL is a dynamic and comprehensive cooperative educational system partnering with 31 local school districts to serve their students facing physical, cognitive, emotional, and other learning challenges. Our mission is to provide "Exceptional Services for Exceptional Students by Exceptional Staff."

The TAB program is designed to teach appropriate classroom social behavior, new academic skills, and reduce behaviors that prevent learning from occurring. The goal of the program is to prepare students to return to a regular education classroom. The program provides a variety of academic and social experiences in order to promote positive interaction skills with both peers and adults.

## INSTRUCTION

- Students receive instruction and practice in social skills, self-regulation and strategies as part of the daily classroom routine. Counseling services, speech services and occupational therapy services are integrated into the TAB program. Students receive support in these areas as necessary, even if they don't have the related service listed on their IEP.
- Students referred for this program generally require a small, structured academic setting at or just below grade level with opportunities for supported integration into regular education classes. The TAB program allows students to attend academic classes, lunch, art, PE, music, and electives in the mainstream environment as suits their abilities.
- Instruction within the program focuses on academic rigor while addressing self-regulation, understanding social behaviors, executive functioning, and strategies to maintain regulation.
