STATE ASSESSMENT INTEGRITY AND TEST SECURITY PROCEDURES EKB(R2)

Keller Independent School District shall comply with test security and confidentiality procedures established by the Texas Education Agency (TEA). TEA publishes test administration manuals that outline state policies and procedures in regard to state assessment administration activities. KISD uses these manuals to develop districtwide processes, procedures, and forms.

- District and campus personnel are trained in test security, confidentiality, and test administration procedures that are in accordance with TEA's policies.
- All staff members are required to follow the KISD processes and procedures.
- Any violation of the state's security and confidentiality procedures is reported to TEA in accordance with established district procedures, in accordance with TEA's published requirements.
