

Indoor Air Quality Complaint Procedures

Per Title 14 §4303, any individual desiring to submit a complaint regarding indoor air quality within the Colonial School District facilities must do so formally and in writing utilizing the prescribed form.

Complaint forms may be found in the Colonial School District Administration Building and the Colonial School District website and must be fully completed and submitted to the Supervisor of Facilities so the district Board of Education may investigate potential issues, take any action(s) as deemed appropriate, and follow-up with associated parties.
