

# Purple Team

2025-26 School Year

**Welcome to the Purple Team!** We are looking forward to working together this year. Throughout the year, digital communication and specific online tools are going to ensure your child's success and keep communication open. **Both** families/guardians and students have access to these **Digital Tools**:

➤ **SCHOOL EMAIL:** Please check your student email (lincolnps.org) Important Google Classroom information will be sent from your team.

➤ **GOOGLE CLASSROOM**

In addition to each teacher having their own Google Classroom for each subject (where all assignments, resources and information will be shared) we have created a **PURPLE TEAM GOOGLE CLASSROOM**. Please take a moment to have your child log in and join by using this code: **y2jmxmak**  
Display Here your child will find welcome messages from each of the team purple teachers, as well as other team and school-wide information.

**\*Please note:** this code will not work with non-lincolnps.org email addresses.

Parents/guardians can receive notifications about updates to the student or team Google Classrooms.

➤ **SKYWARD**

We encourage you and your child to monitor academic progress in **all** classes through our Skyward portal; this is the **most** important place to view grades, assignments and academic progress. Here you will find posted assignments, grades, and if work is **MISSING** (meaning it is not completed); if it is **BLANK**, we have not inputted the grades yet. **\*Please note** that an assignment MISSING means it was not done and needs to be completed ASAP. Please refer to the school grading policy for missing or late work and retaking assessments. It is important to note that the best indicator of the student's grade is when all grades are in Skyward and nothing is missing.

➤ **Lincoln Middle School WEBSITE**

Our main website will provide you with information regarding summer reading, mathematics requirements and any updates regarding the current health and safety requirements.

## **CONTACT INFO**

Please do not hesitate to contact guidance if you wish to set up a meeting with the team. If you have any specific concerns about your child by content area, please email us at the addresses listed below. You may also contact the Team Leader with any team related questions or concerns.
