Grade 8 English Language Arts

Drama Elective

The Owen J. Roberts Middle School drama scope and sequence for Grade 8 outlines and specifies lessons/activities designed to introduce students to theater arts. Activities are diverse, rigorous, and designed to teach students about performance and production. Topics will include, The Foundations of Theater, Improvisation, Scripted Performance and Production. Class activities will include improvisational ice breakers, elements of scripts (e.g., stage direction, soliloquy, etc.), acting techniques, interpretation of scripted roles, art and science of costume, and set design and production.
