Working together with families, the community, and highly qualified staff, the Buckeye Union School District ensures that each student masters the knowledge and skills needed to maximize their academic and personal success in a global society.

**Wednesday, December 10, 2025
12:00–12:30 p.m.**

Location:

Valley View Middle School (Library)

1665 Blackstone Parkway, El Dorado Hills, CA 95762

Purpose: Each District and Charter School in the State of California is required to develop and annually update the Local Control and Accountability Plan (LCAP) following a process of community engagement, needs assessment, goal setting, and progress monitoring. The resources supporting the plan come from the State of California and its Local Control Funding Formula for public schools, which accounts for approximately 88% of the District's annual funding.

Each District and Charter School is required to convene an LCAP Student Advisory Committee, annually, in order to provide an opportunity to participate with District administrators, teachers, and support staff in the development and evaluation of the LCAP.
