### ABOUT HOLY FAMILY

Holy Family Catholic High School is a co-educational, college-preparatory high school committed to helping young men and women realize their academic and spiritual potential. We educate students in grades nine through twelve and offer a full range of extracurricular programs. Holy Family is proud to be recognized as a National Blue Ribbon School, a Cognia School of Distinction, and an Advanced Placement Silver Honor Roll School. We are accredited by Cognia, a non-profit, non-partisan organization that conducts rigorous, on-site reviews to ensure all learners are supported in reaching their full potential.

Our 176,000-square-foot, state-of-the-art facility blends technology with tradition. Designed to support both spiritual and academic growth, our campus features a chapel, two 20-classroom learning centers, art and music suites, a performance center, a learning and research center, a robotics and engineering innovations lab, and multiple athletic facilities. These include a three-court gymnasium, multipurpose activity center, weight training and physical therapy spaces, and outdoor football/track, soccer, baseball, and softball fields. Our athletic teams compete in the highly competitive Wright County Conference.
