Are Northeast Tech students allowed to bring a laptop/tablet to school?

All students will receive a school-issued Chromebook, and it is a CCSD requirement that students bring their school-issued Chromebook to school each day to complete class work.

Students **may not** use a personal laptop/device, they must use the school-issued Chromebook

Are students allowed to request a schedule change when school starts?

Schedule change requests are not permitted once course registration is complete in May. Please refer to the Northeast Tech Course Catalog to review the Northeast Tech Schedule Change Policy on our website.

Are students allowed to join more than one club/activity?

Yes. Students can participate in as many clubs/activities as they can manage.

How can I get home after participating in an after-school club/activity?

Northeast Tech will have a late bus for those students who qualify for CCSD transportation. If you do not qualify for transportation, it will be your responsibility to get home from school.

Do I qualify for bus transportation?

CCSD transportation decides who qualifies for a seat on the bus. Please contact them at 702-799-8111 if you have any transportation questions or concerns.

Does Northeast Tech have sports?

Northeast Tech will offer a variety of clubs and intramural sports. However the only competitive sport we offer is cheer. Students interested in other competitive sports can still participate through their zone school, with the understanding that Northeast Tech does not provide transportation for each sport.

Will Northeast Tech have dances and assemblies?

Yes. Northeast Tech will have dances, including prom, homecoming, and multiple assemblies.

What does probation mean at Northeast Tech?

Our top priority is that every student from our school meets graduation requirements on time. Our second priority is that students complete CTE coursework successfully. If students do not meet their magnet contract requirements (maintain a 2.0 GPA or higher, no D's, F's or IP's each semester, C or higher each semester of career pathway, and maintain attendance/discipline standards), they will be placed on probation. Students who do not improve may not be able to return to Northeast Tech the following school year. Please refer to the Magnet Contract for more information.

When is the first day of school?

August 11, 2025

What are the school hours?

7:15 am - 1:40 pm
