HVAC Contractor's License issued by the Alabama Licensing Board	\$5,000.00
A General Contractor's License issued by the Alabama Licensing Board	\$5,000.00

A supplement in the amount shown in the above table may be paid per year, per certification for maintenance workers who hold one or more certifications directly related to the type of work required by their job. Supplements may be paid for up to two (2) certifications. All employees seeking supplement payments must have proof of a minimum of three (3) years or 6,000 hours of hands on experience in each field of certification. Such masters or contractors cards are available for electricians and plumbers. Master and contractor shall be considered synonymous for the classification of electrician and plumber. It is the responsibility of the employee to keep the status of all certifications up-to-date. The maximum any one employee may obtain annually from supplements is \$10,000.00. All supplement payments are subject to all applicable local, state, and federal taxes, as well as retirement, FICA, and other normal deductions.

Certifications not recognized under this supplement program include, but are not limited to the trades of carpentry, masonry, concrete finishing, ceiling installer, painter, sheet metal mechanic, roofer, equipment operator, automotive mechanic, asbestos worker, flooring installer, and similar occupations. No supplement shall be paid solely because an employee has obtained or holds a commercial drivers (CDL) license. No supplement shall be paid for certifications required by the Federal Government or the State Department of Education, such as asbestos inspector, capital planner, or facilities and enumeration inspector. Custodial and Janitorial employees are not eligible for supplement payments under this program.
