The teacher will notify parents if this is the case and student would attend conference. If your student's conference is not learner led please do not bring student to conference. Badge reports will be available for conferences. Mr. Paynter noted conferences are quick time slots and if parent needs more time they can schedule a separate time to meet with the teachers/counselors. Fund Run went well. The spirit and participation were great to see. Mr. Sherwood- Reviewed how PBIS funds are being used. Recently 30 students were able to benefit from the mystery motivators. This is done throughout the year. Bingo games are played, and prizes sometimes even benefit a student's entire class e.g. popcorn party, extra recess...

 - Fund Run- Overall it went well. We seemed to have a good amount of spectators. We were \$600 over budget, but happy with fundraising outcome and business support. Fund Run winning class parties are in planning stage. Mrs. Brehm's class – need volunteers. Mrs. Van Scoten's class needs volunteers as well. Party is scheduled for 11/24. Miss Kohlenbeck's class milk/cookie party is going to be 11/21. Changed to chocolate milk vs hot chocolate.
