Instructional Alignment

- PLC unit planning based on student data
- Support Emergent Multilingual Learners by using vocabulary instruction, sentence frames, and group discussions tied to Core Curriculum.
 - ELPA21 data helps tailor lessons to language levels, while scaffolding and culturally responsive practices create a safe, inclusive space for learning.

Equity Driven MTSS

- **MTSS & Collaboration**
Grade-level MTSS teams focus on academics, attendance, and behavior, working with EML, SpEd, and behavior specialists.
 - Decisions are guided by data to support student success.
- **Attendance Team**
Meets bi-weekly, leading to a 11.26% attendance increase.

Early Literacy

- **Literacy Instruction**
 - Schoolwide use of ECRI (K–2) and 95% Group (3–5) ensures fidelity to core reading instruction.
- All classrooms implement Wonders for reading and writing, including weekly vocabulary routines.
- Walk to Literacy continues to provide targeted support for students needing additional intervention.

Other Key Priorities

- **Family Engagement**
Events include Back to School Night, A Night Around the World, student performances, school-wide book projects, PTSO, and Site Council.
- **Community Partnerships**
We partner with Multnomah County Mental Health, SUN, and the Right Brain Initiative.
- **Classroom Engagement**
KAGAN structures promote student collaboration and participation.

Next Steps

- **Refine MTSS Systems**
Use data analysis and instruction to boost academic achievement and support students' social, emotional, and behavioral needs.
- **Student & Family Voice**
Develop a meaningful survey and use the results to help shape priorities for the 2025–2026 school year.
