

Various One Pass Select changes will go into effect beginning Jan. 1, 2026.

One Pass Select provides a simple, flexible and affordable way for employers to elevate their employee wellness offering. The subscription-based fitness and well-being program is designed to help support a healthier lifestyle.

No price increases

1. Membership tier pricing will remain unchanged as of Jan. 1, 2026. However, One Pass Select reserves the right to update pricing at any time with appropriate notice given to members per the product terms and conditions.

Friends & Family discount changes

1. The 10% Friends & Family discount will be discontinued as of Jan. 1, 2026.
2. All Friends & Family members will pay the same enrollment fee and monthly rate as primary eligible members.
3. This change affects approximately 15% of enrolled members (approximately 20,000 people) and helps maintain affordability for the majority.
4. Primary members can still add unlimited Friends & Family (ages 18+) to their accounts.
5. Promotional discounts may still be offered throughout the year.
6. Impacted members will be notified via email targeting the week of Oct. 20, 2025.

Gym network updates

Any gym network changes will be communicated to members in October 2025 through members' gym membership experience
