- Students who turn five prior to May 31st of the previous school year may be enrolled in Pre-K upon approval.

### **EARLY RELEASE**

On early release days, all students are released 15 minutes before their campus K-6 students are released. AM and PM students may follow an early release schedule depending on your campus.

### **ENROLLMENT**

Families will enroll students using the online application through Infinite Campus. The following documents will be required for registration:

1. Completed online application
2. The child's birth certificate
3. The child's record of vaccinations
4. Court documents, if applicable
5. Proof of residency

## **ENROLLMENT & REGISTRATION FEES**

Once your child's application for enrollment has been processed and a seat has been offered to your student, families should follow the instructions for completing the registration process. This email will include a request for the following:

- **Required enrollment documents (See above)**
- **Payment of a non-refundable \$100 registration fee**
- **Payment of the last month's tuition**

To secure your child's spot in the program, both payments and required documents must be submitted within 48 hours of receiving the enrollment email. If the enrollment fees are not received within the 48-hour window, your child's spot may be released, and their name may be added to the waitlist.

## **CHANGE OF PROGRAM:**

All program change requests (such as changing days or times of attendance) must be submitted to the District Registrar. Please allow 48 hours for processing while availability is reviewed. The first change of program will be processed free of charge. Any additional changes will incur a \$25 processing fee per request.

## **POTTY TRAINED REQUIREMENTS**

All students must be potty-trained before their first day of school. Students are expected to perform all potty-training tasks independently, including communicating the need to use the bathroom, cleaning themselves after going to the bathroom, and dressing themselves. If your child has an accident during school hours, you will be contacted to assist in cleaning and changing your child as needed. Excessive restroom accidents may lead to disenrollment. Re-enrollment may only be considered when the child is fully and independently potty-trained.

## **TUITION AND PAYMENT PROCEDURES**

Our tuition is billed monthly, with the total annual tuition due divided by the number of months in the school year. For example, there are 10 months per school year, and we distribute costs evenly over 10 months, creating 10 equal payments no matter how many days are in a given month, including days off. These include December, March, and October, which include longer school breaks.

Here's a brief breakdown:

1. **Total Annual Tuition:** This is the full cost for your child's preschool year.
2. **Divided by School Months:** The total tuition is divided by 10 school months.
3. **Monthly Billing:** The result is billed monthly over 10 months, providing a consistent, equal payment schedule.

Monthly payments and all other fees are due on or before the 1st day of the month of service. A late fee of \$35.00 will be assessed for payments received after the 5th of the month. All late fees will be assessed immediately on the 6<sup>th</sup> of the month and due on the 10th, along with tuition. Other fees may include late tuition payment, late pickup, lunch, apparel, and field trip fees. Failure to pay all fees and tuition before 3 pm on the 10<sup>th</sup> day of the month may result in disenrollment or withdrawal of the student from the Little Leaders program. To be eligible to reapply, the account must be current, will be subject to the waitlist, and to a new registration fee. Preschool offerings, costs, and eligibility are subject to change at any time.

### **ACCEPTABLE FORMS OF PAYMENT:**

Tuition will be charged for the two-week notice period, regardless of attendance. Failure to provide proper notice may result in the forfeiture of prepaid tuition or fees.

If tuition payment is ten (10) days late, the child may be withdrawn from the program. Tuition will not be refunded.

### **PRESCHOOL AND PRE-KINDERGARTEN CURRICULUM**

The curriculum is developmental and academic in nature. Although there are universal and predictable sequences in a child's growth and development, each child moves through this development at their own rate. Little Leaders lessons are aligned to the Arizona Early Learning Standards and connected to the Core Knowledge Sequence.

The curriculum resources build early literacy and mathematical foundational skills. It addresses all areas of a child's development, including language, literacy, and communication; social and emotional development; mathematics; science and technology; social studies; physical development and health; fine arts; and approaches to learning.

### **WHAT YOUR CHILD WILL NEED**

## **STAFF PERSONNEL**

Designated, qualified staff members, including, but not limited to, the Health Aide, Nurse, Administrative Staff, Teacher's Assistants, Substitute Teachers, and Specials Teachers, may assist the Little Leaders classrooms and students with day-to-day duties.

## **DISCIPLINE AND GUIDANCE**

The Little Leaders discipline plan reflects the Little Leaders R.A.I.S.E. values (Respect, Accountability, Integrity, Service, and Excellence.) In addition to our values, we use positive discipline to create an environment conducive to learning. Staff facilitates the development of self-control in children by designing classroom environments that emphasize routine and consistency. Staff uses positive guidance techniques such as modeling, natural consequences, encouraging expected behavior, redirecting children to a more acceptable activity, direct teaching of appropriate behavior, positive redirection, setting clear limits, and instruction in problem-solving skills. Staff help children foster respect for self, others, and property. Children are taught to develop skills to help them make appropriate choices and resolve conflicts. Although our program promotes positive reinforcement and redirection, harmful behaviors are not tolerated. Students who repeatedly display physical or verbal aggression toward other classmates or staff members may be disenrolled from the program.

Little Leaders emphasizes the importance of working as a team with parents/guardians to help students become successful in their early learning environment and will involve parents/guardians as needed throughout the positive guidance process. Parents should follow the same R.A.I.S.E. values when interacting with staff to promote a positive example when working in an educational environment.

## **SUSPENSION AND EXPULSION POLICIES**

At Little Leaders Preschool, our goal is to make school a safe, positive, and supportive place for every child. We believe that young children learn best when they know what is expected of them and when they are guided with positivity, patience, consistency, and care.

We teach and practice simple, clear expectations in the classroom every day. Teachers use positive guidance, redirection, and encouragement to help children build social and emotional skills. If a child is having difficulty, we work closely with families to create a plan of support.

We believe suspension or expulsion should only be considered in rare situations and only after other strategies have been tried.

Proactive Strategies:

- Partner with families to understand a child's needs and create solutions together.
- Provide extra support and teaching to help children manage their emotions and behaviors.
- Use a variety of strategies and routines to help each child feel successful.

Our commitment is to help every child thrive. Suspension or expulsion is used as a last resort, and only after we have exhausted all other strategies. If this step ever becomes necessary, parents will be fully involved in the process and given the opportunity to meet with staff to discuss next steps and supports.

## **SPECIAL NEEDS**

Our goal at Little Leaders is to serve as many families and students as possible, including students of all abilities. Our preschool program, however, does not offer special education services to our students, though these services may be available when they move into the public charter program, which begins in Kindergarten. If your preschool child requires special education services, we encourage you to work through other local providers, which may include a local district school to ensure your student accesses the services they need.

## **HEALTH INFORMATION**

### **HAND WASHING**

Hand washing is a part of the daily routine in the preschool setting. It not only helps children to remain healthy, but it also promotes a healthy lifestyle. At a minimum, children wash their hands when they enter every day, after using the restroom, and before and after eating a meal or snack.

### **IMMUNIZATIONS**

Parents of children entering the preschool program will need to provide verifiable documentation of immunizations required by law. At time of registration, the registrar will require a copy of your child's immunizations. Your child cannot start at the school until immunizations are on file. When your child has updated immunizations, please provide those to the registrar. Any immunizations received after school starts will need to be shared with the health aide. If you need help in determining if your child requires immunizations, please contact the school health aide. According to the Arizona Department of Health Services Child Care Licensing, the only exemptions allowed for preschool children are for medical or religious reasons. If your child requires an exemption for either of those reasons, please let the school know so you can fill out the appropriate form.

Per A.R.S. §15-871 and A.A.C. §R9-6-701-708, before a child may attend the Little Leaders program, their parent/legal guardian must provide the child's immunization record to school staff. The immunization record is typically given to parents/legal guardians by their doctor or clinic, and must show the date each required vaccine dose was received as well as the signature or stamp of the health care provider.

Acceptable forms of immunization records to enter school include:

- A copy of the Arizona Lifetime Immunization Record.
- A copy of the vaccine administration record from the health care provider.
- A computer-generated immunization record from the Arizona State Immunization Information System (ASIIIS) or from an immunization registry of another state.
- A signed and dated Arizona School Immunization Record -ASIR109R form completed by a school the child has attended (a copy is acceptable).
- An immunization record generated by a school's immunization software system, as long as the school name, school address, school contact person, child's name, child's date of birth, and child's immunization dates are included.
- A signed and dated immunization record or school/child care immunization record from another state.

### **LITTLE LEADERS IMMUNIZATION REQUIREMENTS**

Authorized school personnel must review each child's immunization record(s) prior to the time of enrollment. Children must obtain required immunization(s) or sign a medical or religious exemption form prior to attending school, or they may be excluded until (s)he is compliant with the requirements. If a child requires more than one dose of a specific type of vaccine, the child may continue to attend school during the minimum interval between doses. In the event of an outbreak of a vaccine-preventable disease, children who are exempt may be excluded from school until the risk period of exposure ends. Please provide proof of completion of these immunizations to your campus health office as soon as possible.

### **ILLNESS**

Children who are ill or who have had a fever or vomiting in the past 24 hours **will not be allowed to remain at school**. Students may return to school once they have been fever-free for at least 24 hours without the use of fever-reducing medication. If a child becomes sick during the day, the staff will separate the child and give them a place to rest until the child can be picked up. The school staff will call the parents/guardians to pick up the child. If no one can be reached, the staff will call the other authorized persons listed on the emergency card until someone is reached. It is expected that the child will be picked up immediately. If no authorized contacts can be reached in a timely manner, the school may contact emergency services or local law enforcement for assistance.

### **MEDICATIONS**

Little Leaders does not give any routine medications. Little Leaders can administer rescue EPI-PENS and/or inhalers. Parents will bring the medication with the original box, which includes the prescription label for these medications. Parents/guardians will fill out the medication authorization form which will be kept with the medication. If these emergency medications are used, parents will be contacted immediately, and the dosage will be recorded. If the student is having difficulty breathing or epinephrine is administered, EMS will be called, and the student may be transported to the nearest hospital. Little Leaders staff shall not transport injured or ill students for medical treatment. If your child needs medication throughout the school day, parents/guardians can come to school to give that medication to their child.

### **EMERGENCY PROCEDURES**

**Minor injury:** Children will receive basic first aid treatment at school, and an email or written notification will be sent to the parents/guardians.

**Other injury:** First aid will be administered, and the parent/guardian will be notified by telephone to pick up the child for further care. If the parent/guardian cannot be located, a person listed on the emergency card will be called to take the child for further care.

**Life-threatening injury:** In case of serious accidents, the paramedics will be summoned for treatment. They will advise whether the child should be taken to the nearest hospital or doctor's office by ambulance. Parents/guardians will be notified as quickly as possible.

**NOTE: It is the responsibility of the parents/guardians to update any changes for emergency contacts.**

### **TRANSPORTATION FOR PRESCHOOL**

Student transportation is not provided.

## **FIELD TRIPS**

As much as possible, we bring the fun to the classroom. From time to time, there may be off-campus activities, but parents will be responsible for providing transportation, accompanying their student, and then transporting their child when the field trip is completed. When off-site activities are held, additional fees may be required, which will be communicated to parents in advance. All field trip fees need to be paid by the due date to ensure attendance. Field trips may replace the whole school day; please follow your site's information about the trip.

## **LUNCH AND SNACKS**

- **Lunch - FullDay Students:** Students may bring lunch from home or lunch may also be available from the school's food service provider. A monthly school lunch calendar is available online, and will be sent home each month. The school lunch option may be requested the same day, billable daily and payable through Infinite Campus. All lunch fees are due on the first day of the following month.
- **Snack - Full-Day and Half-Day Students:** Students are required to bring at least one snack each day. Your student's teacher may request that you bring an additional snack for your child as needed.

## **FOOD FROM HOME**

Due to state policy, we can not allow parents to bring food in for celebrations that are high in sugar (i.e. cake, cookies, cupcakes, etc.) Acceptable foods are fruit and/or low-sugar or no-sugar prepackaged items. No food prepared at home is allowed.

## **PARENT/SCHOOL COMMUNICATION**

There are a variety of ways you can communicate with your child's teacher. Always feel comfortable in calling either directly to your child's classroom and leaving a voicemail, emailing your teacher, and/or calling the office to leave a message. Staff should contact you within 24 hours of receiving your call/email. If you have a specific question or concern and would like to meet with your child's teacher, please contact them directly to schedule an appointment.

## **PARENT INVOLVEMENT**

Staff is committed to involving parents in the education of their children. Parents are an integral part of the learning process and a variety of opportunities for parental involvement will be offered throughout the school year.

- Opportunities for parents to learn about our curriculum and developmentally appropriate learning activities for young children will be available.
- We will offer parents the opportunity to visit their child's classroom and personally observe the wonderful activities in which their child participates.

Contact AzEIP at 602-532-9960 or complete an online referral at [www.azdes.gov/azeip](http://www.azdes.gov/azeip) if you have a child 0-3 years of age that you suspect may have a disability. If you have a child aged 3-5, who is not enrolled in kindergarten, contact your local public school to learn about preschool evaluation procedures.

## **PHOTO RELEASE**

When completing your child's application through Infinite Campus, all families will be asked to sign permission on a photo release form for us to take photos or videos of your child. This includes individual pictures, group pictures, pictures for the school newsletter or classroom newsletter, and videos made throughout the day.

That permission may be revoked at any time. If permission is revoked at a later date, the parent must sign a new form indicating that decision.

**MEDIA RELEASE FORM ELECTRONIC/PRINT MEDIA**

Because of the intense interest in public education, print and electronic media representatives sometimes request to visit schools for stories about programs and current events. In accordance with such activities, district policy requires parental approval be obtained before the media may take close up pictures of students, or use a student's photo in non-school publications. Please indicate by checking the appropriate box whether you will allow your child to be interviewed and photographed by the print and/or electronic media.
