To All vendors: Addendum #2

Informal Request for Proposals

Design Build Services for Stadium Scoreboard & Sound System Improvements

Using the Informal (RFP) method of procurement, Calallen Independent School District (the District) is soliciting proposals from qualified vendors for the construction of a new High School Stadium Scoreboard.

This addendum serves as a notice of change in the due date of proposals.

To ensure all vendors have ample time to submit quality proposals, the revised due date and time will change from Thursday, 12 noon (CST), May 22, 2025 to **Thursday, 10:00 am (CST), May 29, 2025.**

Proposals may be mailed or hand delivered to the District's administrative offices located at 4205 Wildcat Dr., Corpus Christi, Texas 78410. Due to the informal nature of this procurement, the District will accept emailed responses.

Send all electronic responses to me via email at bmcdavid@calallen.org. Faxed copies will not be accepted.

As a reminder, please submit all proposals through a Purchasing Cooperative, and indicate the contract number on the proposal.

Blair McDavid
Director of Operations
Calallen ISD
