

Art club info

Operating under the guiding principles of Art for Social Change and Art with a Heart, Griffin Bay Art Club offers a welcome space to learn, create, and inspire change through artistic expression. We have a space that fosters both individual artistic growth and collaborative projects aimed at sparking meaningful conversations and positive impact. Members have the opportunity to experiment with new mediums, processes, and techniques while connecting with like-minded individuals who believe in the power of art to make a difference.

Join us and let's make something totally fire!
