Half Moon Bay, CA 94019

Dear Ms. Silvestri:

The Western Association of Schools and Colleges is pleased to announce the action taken by the Accrediting Commission for Schools granting accreditation to Half Moon Bay High School, effective through June 30, 2019. This accreditation includes a required one-day mid-cycle review.

This action was taken after a careful study of the visiting committee report, which noted many laudable aspects of the school. The Commission is confident that your continuing efforts to focus on school improvement will be reinforced by prompt attention to the critical areas for follow-up within the action plan.

The mid-cycle review will consist of a written progress report from the school outlining progress made in implementing the schoolwide action plan and a one-day review by a two-member team which must be completed by the end of the third year of the current six-year accreditation cycle.

Please accept our congratulations on the quality of instruction being offered in your school. A certificate of accreditation will be forwarded to you in the near future.

Sincerely,

Harlan E. Lyso
Commission Chairperson
