

Create Life-Changing Opportunities: The ISP Scholarship Programme

The ISP Gala is our annual celebration of generosity in support of the Scholarship Programme. It is an evening when our community comes together to change lives, honour shared values, and open new doors for exceptional young people.

At the 2026 Gala, your support will be recognised across all event communications, ensuring your contribution is seen, valued, and celebrated by the entire ISP community and beyond.

When you support the ISP Scholarship Programme, you help create opportunities for talented local students whose potential is extraordinary, yet whose families could not otherwise access an ISP education. Your generosity does more than fund a place at ISP. It transforms a young person's future and expands what they believe is possible.

Recognition levels include:

The ISP Comenius Society
