

Building vision • Solving problems • Inspiring Community

2829 Church Street
Pine Plains, NY 12567

Mission Statement:

At Pine Plains Racing, we are empowering a community of builders, problem solvers, and visionaries – driven by teamwork, fueled by creativity, and strengthened through hands-on learning.

Vision Statement:

We envision a community where student creativity drives connection, innovation, and inspiration – sparking pride in Pine Plains today and for generations to come.

What do we personally hope to gain from our experience with Winners Circle Project?

Our hope for this year with Winners Circle Project is to build stronger social confidence; learning to speak up, share our ideas, and communicate our feelings without fear or judgment. We are excited to gain real-world experience and develop skills that will support us long after high school, from improving our overall comfort in talking with others to overcoming social anxiety.

We are eager to deepen our knowledge of marketing, graphic design, and merchandising, perhaps one day even getting the chance to working with Winners Circle Project!

Above all, we hope this class will provide unforgettable experiences and meaningful growth that will help shape our future selves.
