Abstract

Attached are the final June financials for your review. For fiscal year 2024-2025 our operating fund balance increased to $149M or 56.3%. This favorable result was driven primarily by an outperformance in revenues and disciplined expense management. The actual property tax collection rate of 96.07% surpassed the budgeted rate of 95.5% generating an additional $5.4M revenue this fiscal year. Current interest rates and the Federal Reserve not dropping rates as anticipated generated additional interest revenue of $3M for this fiscal year. Total operating expenses were under budget, primarily related to unspent budget for Consumables. Consistent with historical practice, this unspent budget represents building, and departments carry over that they will have access to in the new fiscal year. The strong operating performance allowed for a strategic transfer of $6.9M from the Operating Fund to the Capital Projects Fund. This supports future infrastructure needs without compromising operational stability. Parkway concluded FY 2024-2025 in a strong and healthy financial position. The Operating Fund, Debt Service Fund, Capital Project Fund, and Bond Funds maintain health fund balances which positions the district well for the next fiscal year.

Future Issues

The following issues are still pending and could affect district finances in the future:

1. Health Insurance Costs – Health costs are a large portion of our benefit expenses. Plan year 2025, rate increases—2% for employees and 4% for the district— went into effect January 1, 2025. These adjustments were necessary. At the end of plan year 2024 we saw a 14% increase in expenses or $5.3M increase. This caused the Self-Funded Insurance end-of-year balance to be $4.6M, which is significantly below the 25% reserve of $10M. At the April 16th board meeting the Board approved a $2.5M district contribution to help the Self-Funded Insurance balance remain positive. The district will have to closely monitor the self-funded insurance balance. If expenses continue to increase at their rapid rate it is anticipated the district will have to make another mid-year contribution to keep the Self-Funded Insurance balance positive.

2. Commercial Property Assessments Appeals – As you are aware this has been a struggle over the last several years. We have seen our collection rate fluctuate due to these settlements. We worked with the state auditor's office and have approved $6.7 million in recoupment. We are delaying some of the recoupment to future years. Levying $3.9M for this fiscal year. As the fiscal year is progressing, we are seeing lower protested taxes than originally forecasted.

455 N. Woods Mill Road Chesterfield, MO 63017 P: 314. 415.8005 F: 314.415.8009 cnunn@parkwayschools.net

3. New Construction Assessments - In September we received our final amounts from St. Louis County. We had another strong year with new construction with just over $45 million in commercial and residential property.

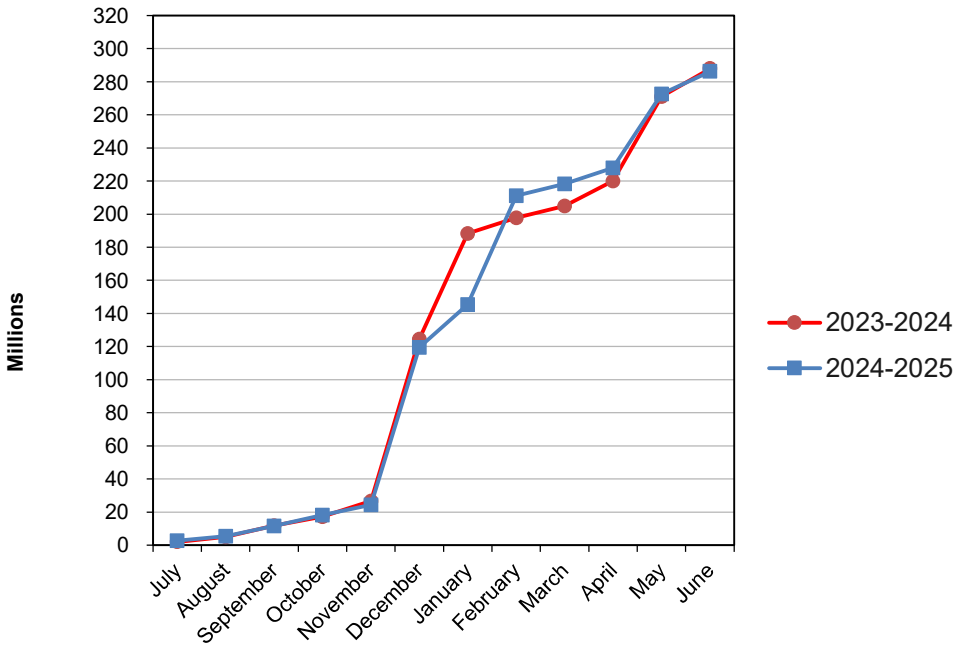

4. Interest Income – Our interest from our banking account was originally budgeted to decrease slightly due to anticipated decrease of the federal treasury rate. This decrease has not been fully realized and the interest income budget was increased in the spring budget adjustment approved by the board at the April 16th board meeting. Our current rate earned is 4.59%.

5. State Revenue – DESE will be basing our formula calculation on our attendance from 2023-2024 school year.

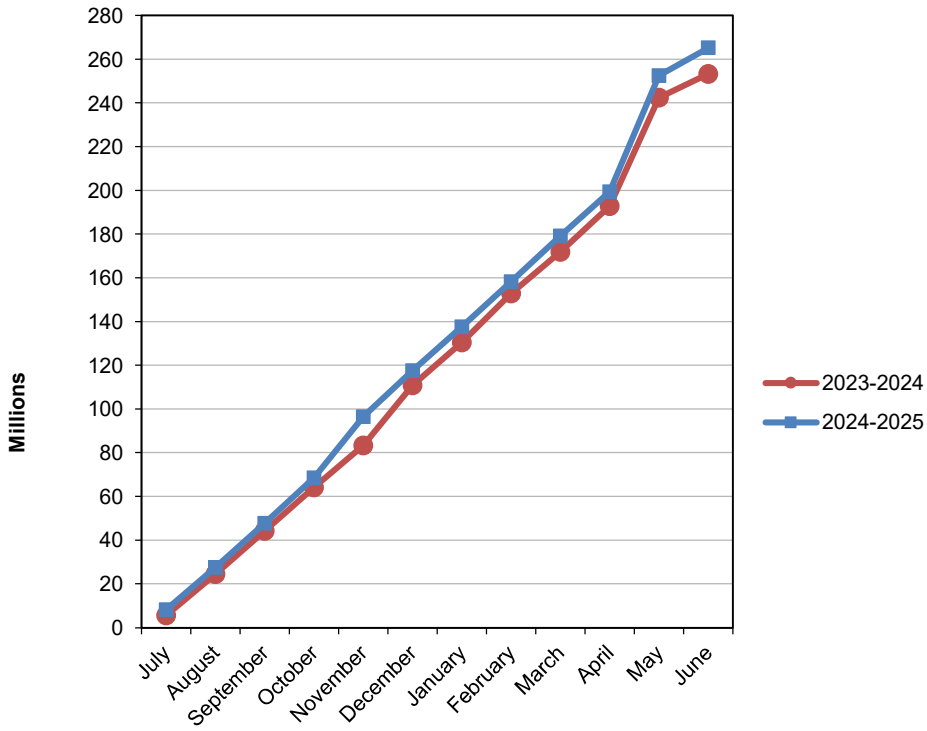

6. Spot Market Purchases – For information purposes, fiscal year-to-date purchases under the spot market procurement policy are as follows:

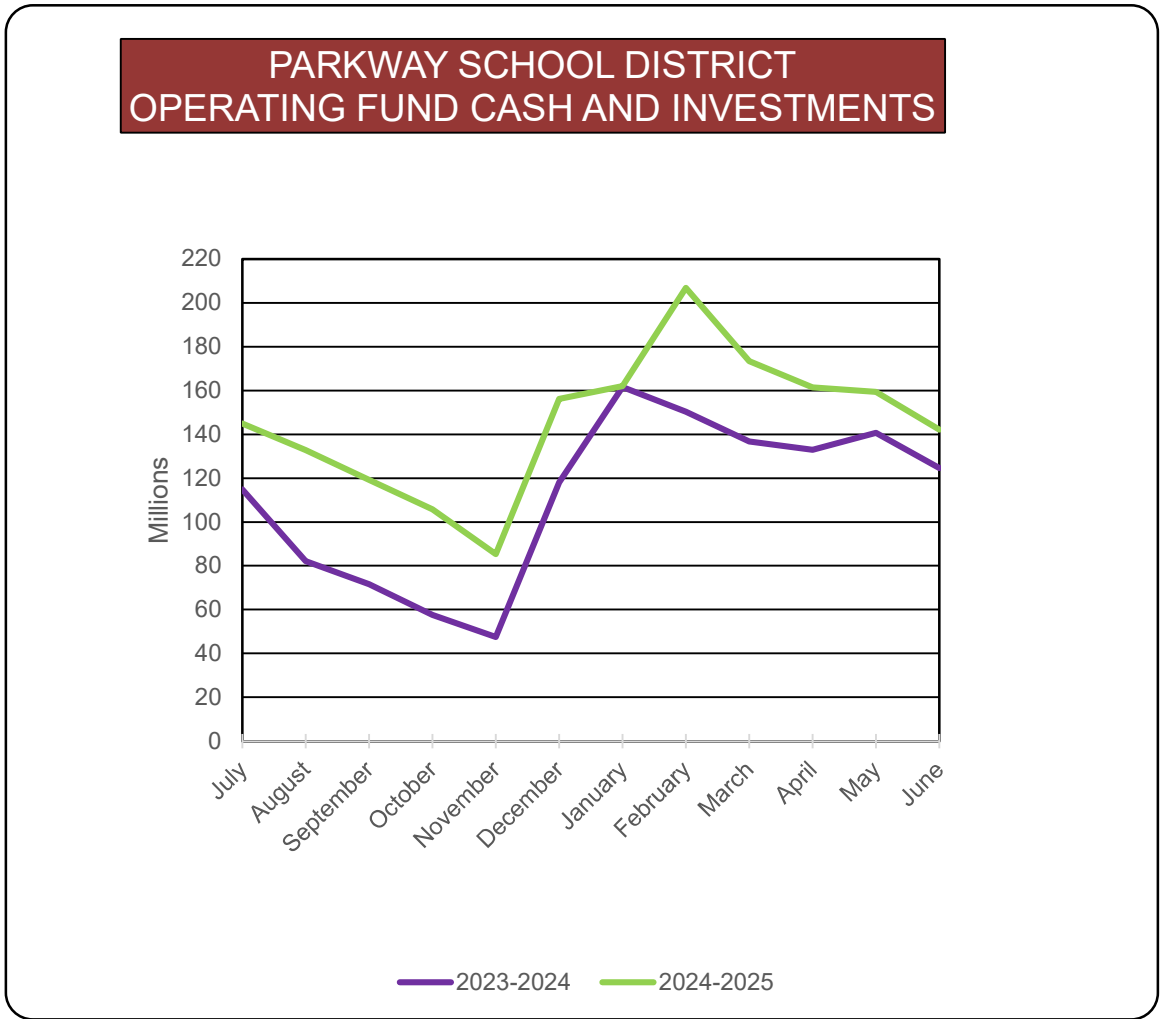

Fuel (Facilities)	$	217,803.90
Fuel (Trans)	$	252,725.70
Paper	$	200,072.26
Trash Liner	$	18,750.00
