

## FRESHMAN ACADEMY

Our Freshman Academy is designed to help students as they transition to high school. The Academy focus is to support and engage our students in exploring career interests, learning about course offerings, and developing goals for high school and beyond.

## PATHWAYS

Mid-way through freshman year, students are asked to select a career pathway and become part of a College and Career Academy. Our three Academies are BACH, HHES, and PACMES.

## EXPERIENCES

- College and Career Fair
- Freshman Seminar
- Graduation Portfolio
- Guest Speakers
- Self Branding Seminar

"As an Academy Coach, I know the Freshman Academy is a crucial stepping stone where students build their high school identity and hone in on their future career and college aspirations. Freshman year is the beginning of an exciting journey toward success. I take great pride in my role, working alongside students to guide their decisions about their future and support them in reaching their goals."

- Brian Michels, Academy Coach
