Communiqué is published two or three times a year. Submit items to alumni@ahastars.org. AHA reserves the right to edit all submissions.

Special thanks to David Frear, TeMo Photo, Joe Berg '05, Seamus Burke '14, and others for photos in this publication.

On the cover: 2025 National Merit semi-finalists and AP Scholars of Distinction.

Below: Members of the Class of 1965 and current students on a reunion tour of campus.

Warmest greetings Holy Angels community!

As I reflected on my interactions with so many of you, I am struck by the common threads of kindness, generosity and a quiet, yet steady drive toward improvement. Each person I encounter embodies a servant mindset with the constant goal of providing our students' lives with the most well-rounded ability to become faith-filled adults who positively contribute to our world.

We have a community that I am grateful to be part of and honored to serve.

During this time of year, as we reflect on the blessings we have, the word grateful stands out. We have so much to be grateful for.

Our students, our faculty, staff, administration and my fellow board members, all working together for the betterment of our school. Leaving it a bit better than when we arrived. I am grateful for the opportunity to be involved with such high caliber people.

For our parents, alumni and our donors, we are so grateful for your generosity and for volunteering your time, talents and resources to support our goals. It truly does take a village, and we have an exceptional one.

I was asked why I wanted to serve on the board and as the chair; my response was simple. A school that helped shape my husband Paul, a 1984 graduate of AHA, into the fine human being he is, is something I want to be part of. We also had the great fortune of having our youngest child Jack graduate from AHA in 2024. He was celebrated for involvement in football and theatre, a rarity.

The unwavering commitment by the administration, faculty and staff is second to none.

In any healthy organization, there is a positive and steady leader. We are fortunate to have Dr. David Sorkin as our president of AHA. David has been with us since July of 2024 and has continued to make a positive impact. David is the right leader to honor that which has been the foundation of our community since the Sisters of St Joseph founded Holy Angels in 1877, and bring us into the future with a steadiness that our fast paced world needs.

The board has committed to honoring the past as a means to plan for the future. There are initiatives including a strategic planning steering committee, dedicated to laying the ground work for what's next.

As our country and world changes so rapidly, I take solace in knowing that our Holy Angels community is rooted in the Catholic faith, service, kindness and high expectations for our students and ourselves.

Thank you for all that you have given and continue to give. As you prayerfully consider how you can support our school, know that any and all donations are so greatly appreciated. Together our future is beyond bright.

Wishing you a blessed Christmas season and wonderful new year ahead!

Warmly,

Mary Lee Blaylock
Chair, AHA Board of Trustees

Distinction and Innovation in Academics

For generations, an Academy of Holy Angels education has stood for excellence.

Today, we continue to go above and beyond to ensure our students reach their greatest potential. Students receive essential knowledge and skills at their individual learning levels, as well as focused support from our dedicated faculty and staff to help them be the best learners they can be.

AHA Earns Highest AP Awards: AHA earned the Platinum Advanced Placement Honor Roll level with Access from the College Board for May 2025 AP Scores, the highest-level award. We are proud that 80% of students take at least one AP exam

during their time at AHA, and that at least 50% of those students earn a passing grade of 3 or higher. At AHA, AP exams are a culminating activity in the course, meaning every student who takes an AP class takes the AP exam. **AHA was one of only four schools in Minnesota to earn both AP awards.**

In May of 2025, 90% of AHA seniors and 80% of juniors took at least one AP class, with an 81% pass rate. The AP honor also recognizes AHA for providing all students, including those from underrepresented populations, with the opportunity to participate in AP courses.

“At AHA, we are not exclusively focused on the scores,” noted Principal Heidi Foley. “An essential

goal of the program is to have AHA students take a college-level course in high school with an experienced teacher who is an expert in content and instructional methods and who cares about student growth and potential. And with that, we are proud that in the spring of 2025, we gave more AP tests to more students. 307 students took 648 exams, the highest to date in the history of the Advanced Placement Program at AHA.”

Celebrating National Merit

Scholars: In addition to our College Board recognitions in October, we celebrated the 2025 National Merit Scholars. This year’s honorees are National Merit Semi-Finalists Alyssa Chamberlain ‘26, Lucas Meyer ‘26, and Olivia Tri ‘26, and Commended National Merit Scholar Muchen Cai ‘26. Approximately 34,000 students nationwide are recognized for their exceptional academic promise by taking the 2024 PSAT exam last October, and we are thrilled to have four seniors recognized for their outstanding academic careers. **This year, AHA had the most National Merit Scholars of any Catholic high school in Minnesota.**

Faculty Innovation and New Initiatives

However, AHA’s teachers do not rest on their success. Faculty continue to innovate in new ways to help our students excel intellectually. New to the 2025-2026 academic year is the 9th Grade Academy, a structured

homeroom curriculum designed to lay the foundation for academic success at AHA.

Launching 9th Grade Academy:

Developed by our faculty, the 9th Grade Academy supports the academic, social, and emotional development of ninth-grade students by teaching and modeling executive functioning, habits of schoolmanship, and academic integrity. Teachers work to build an intentional learning community by developing key skills, such as using a planner, self-advocacy, and building healthy daily routines. By making these critical skills accessible to students and by modeling and teaching the academic skills required for success at AHA, our ninth-grade students are beginning their academic journey from a stronger position than ever before.

Ninth-grade homeroom teachers have been given specific training in this unique component of the AHA curriculum. “A dedicated team of teachers saw an opportunity to make the freshmen experience even better,” said Learning Variations Counselor Keri Brenden, “By starting with the end in mind, what it means to be a Holy Angels graduate, we identified the habits of schoolmanship that define the AHA experience. Intentionally teaching these skills to every ninth-grader helps create a solid foundation for their four years at AHA and beyond.”

Josh Van de Hinz, Social Studies and Ninth-Grade Homeroom Teacher, added, “Farmers have always known

that a successful harvest begins by planting seeds early and giving them as much time as possible to mature and grow. The 9th Grade Academy is built on that same wisdom. Introducing effective habits and skills to our ninth-graders helps plant seeds that will enable them to learn and grow to their best ability and to reap the benefits of the harvest for the rest of their lives.”

Seniors Provide Support for 9th

Graders: AHA’s Campus Ministry Team (CMT) has long had a strong presence in ninth-grade homerooms, with each senior CMT student mentoring a small group of ninth-graders. CMT mentors meet regularly with their mentees to provide information, guidance, and

community. This connection has been deepened with 9th Grade Academy, explained Theology Department Chair and CMT Teacher Mark Schumacher, “CMT’s partnership with the ninth-grade class has expanded, with CMT mentors partnering with the ninth-grade homeroom teachers to reinforce the homeroom lessons and provide examples and stories from their perspective as students who’ve been there before.”

We at Academy of Holy Angels seek to educate the whole person, so that our students can be the best that they can be for the world. We continue to seek new and innovative ways to ensure our students become the best students and future moral leaders that they can be.

National Merit Semi-Finalists Olivia Tri '26 and Lucas Meyer '26, Commended National Merit Scholar Muchen Cai '26 and National Merit Semi-Finalist Alyssa Chamberlain '26.

This fall, our student-athletes delivered an exceptional season filled with effort, teamwork, and memorable performances. From thrilling finishes to postseason success, it was a season to remember for the entire AHA community!

Boys Soccer State Champions!

The team capped off an incredible season by earning its second straight State Championship and finishing with a 19-0-1 record. Along the way, the STARS captured their fourth section title in the past 6 years and extended their unbeaten streak to 33 matches, the third longest in MSHSL boys soccer history. They ranked No. 10 nationally and No. 2 in Region 6 by the United Soccer Coaches Association. The team also claimed the Tri Metro Conference championship for the third consecutive season. Coach James See was named Section 3A and Class A State Coach of the Year after leading the team to an outstanding season.

Cross Country

Mia Lund '28 and Louis Ahern '26 competed in the State Cross Country meet on Nov. 1. Louis finished 14th and earned 2025 All-State honors, while Mia became the first female cross country runner from AHA to participate in the meet since 2013 to qualify at the 5K distance.

Shooting Sports

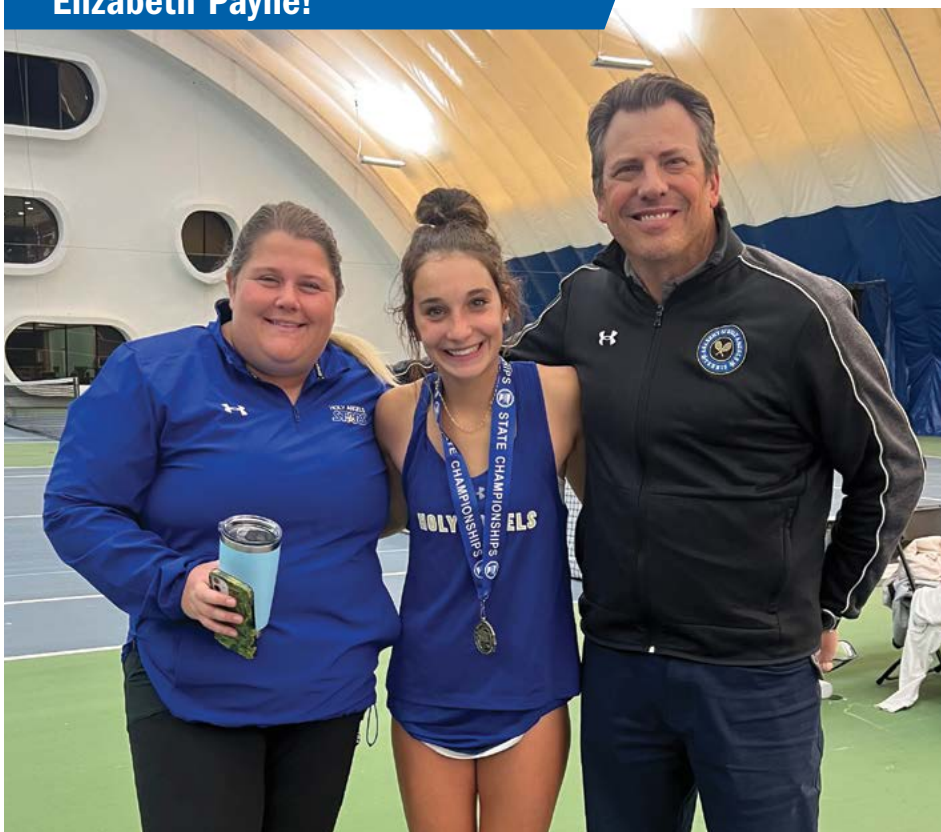

Nina Slingsby '26, recently placed in numerous State events in Shooting sports, including 1st for females in Sporting Clays! Additionally, Nolan Lehnert '27 placed 3rd in State for males in Sporting Clays, among other outstanding achievements this season!

Girls Swim/Dive

STARS Lauren Ericksen '29, Zoey Frogner '29 and Lila Martin '26 qualified for State in the 200 Medley Relay, and Zoey Frogner, Isabel Scrafford '26 qualified for State in the 200 Free Relay!

Girls Tennis State Champion — Elizabeth Payne!

The girls tennis team wrapped up a standout season with a 13-4 record and their fourth consecutive Tri-Metro Conference championship. The STARS made program history as Elizabeth Payne '27 became AHA's first-ever State Champion, winning the Class AA Individual State Tournament! In doubles play, Katie Jung '27 and Josephine Brown '26 added to the success with an impressive runner-up finish at the State Tournament!

Girls Soccer

The girls soccer team continued its remarkable run of success, advancing to the State Tournament for the eighth straight year and finishing with a third-place trophy. The Stars posted a 14-4-3 record and captured their sixth consecutive Tri-Metro Conference championship. Head Coach Dave Marshak earned Section 3AA Coach of the Year honors and surpassed 275 career victories, while senior Ellen Neuharth was recognized as the Class AA Ms. Soccer.

Stars on the Rise: A Year of Growth & Momentum

We are thrilled to share that our incoming 9th-grade class is the largest in the past five years and that our enrollment is growing! While 86% of our new students come from Catholic grade schools, we also welcomed students from 21 different public and charter schools and over 40 communities. Remarkably, 24 students from our Class of 2029 are the only ones from their middle school to enroll at AHA, showing that we are reaching new families like never before.

Our admissions team is dedicated to creating a welcoming and exciting environment for each family that walks through the doors at AHA. Admissions Director Dan Keller, Associate Director of Admissions Joe Berg '05, and Admissions Assistant Ciara McCrory '21 each build personalized, intentional connections with prospective students and their families.

Admissions Director Dan Keller knows the admissions process never stops, "We are always spreading the good news of AHA. Many times when Joe or I are out in public wearing AHA gear, we are stopped by people who want to share memories of Holy Angels or ask questions about the school. A key for our team is to recognize that

each connection is an opportunity to share more about Holy Angels with families throughout the Twin Cities."

Many new families note that AHA's consistent leadership, faculty, and staff create a stable and nurturing environment for their child's educational journey. The average tenure of our teaching staff and leadership team is twelve years, providing a stability that empowers AHA to innovate and expand programs that prepare students for the world ahead. Our nationally recognized academic curriculum is thoughtfully crafted to help students become the best versions of themselves.

According to Director of Advancement Jesse Foley '89, there are additional reasons for the increase in enrollment, "generous donors have truly embraced the challenge of keeping AHA accessible for all families. Our alumni and parents also continue to spread the good word in the community about the transformative benefits of an AHA education. We are counting on them to keep it up!"

Looking ahead, we are excited to extend the AHA experience to even more students. Together, we are shaping the next generation of leaders ready to make a difference in our world.

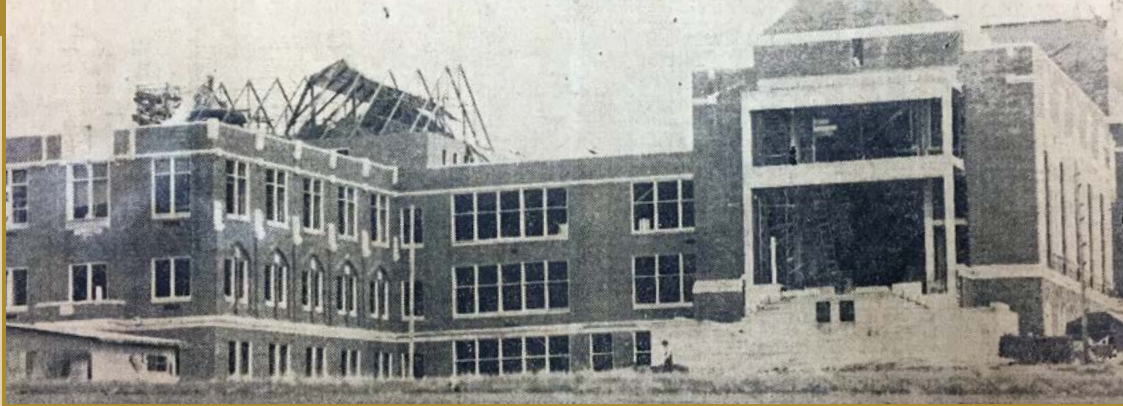

The Class of 2029 at their ninth-grade orientation

Grandparents & Special Friends Day

On October 3rd, Holy Angels welcomed over 400 guests for Grandparents & Special Friends Day! We were so grateful to welcome so many alumni who joined their grandchildren for Mass, refreshments and a tour of the school. Thank you to all who were able to attend.

A view of Holy Angels from the north in 1931

The AHA Theater: My Dad Built that Arch

by Gregg Sawyer, Artistic Director - AHA Starlight Productions

The year was 1994 and we had been on a 2-year campaign to remove and replace the old seats in the theater. The Class of 1955 installed those and they had served us well. We sold sponsorships for each of the 400 seats we were going to buy. It took some time, but we sold all 400 of them. The old seats were removed and prior to the new seats being installed, scaffolding was put up to install an up-to-date sprinkler system.

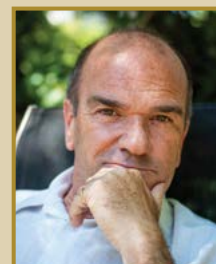

When the scaffolding was being removed, a piece of it fell and hit the proscenium arch (the arch that frames the stage), resulting in a rather large and noticeable gouge in that beautiful gothic arch. After the feeling of nausea subsided caused by the damage, I got to work to find a plaster artist in the Twin Cities.

This is prior to the internet, mind you. So I opened up the Yellow Pages and began my search. I chose someone local and made the call. The next day, the man showed up. I brought him into the theater and showed him the damage. As he was standing on the stage he looked out and said "I have a strange feeling I have been here before". Then he took some measurements and said he would be back within the week.

When he returned, he said to me "I know why I remember this place. It came to me last night. My dad built that arch in 1931. He was a plaster artist and I used to come to work with him as a kid. The floor in the theater at that time was still dirt and as my dad went about creating the plaster details on the arch, I played with my trucks in the dirt."

I was stunned at my luck. I told him that we had a copy of the plans of the arch in storage to which he replied "I have the originals in our shop."

The next week that arch was completely repaired. We never saw a bill for the repairs. It was his gift to his dad to carry on the legacy he inherited.

Class of 1975

50th Reunion

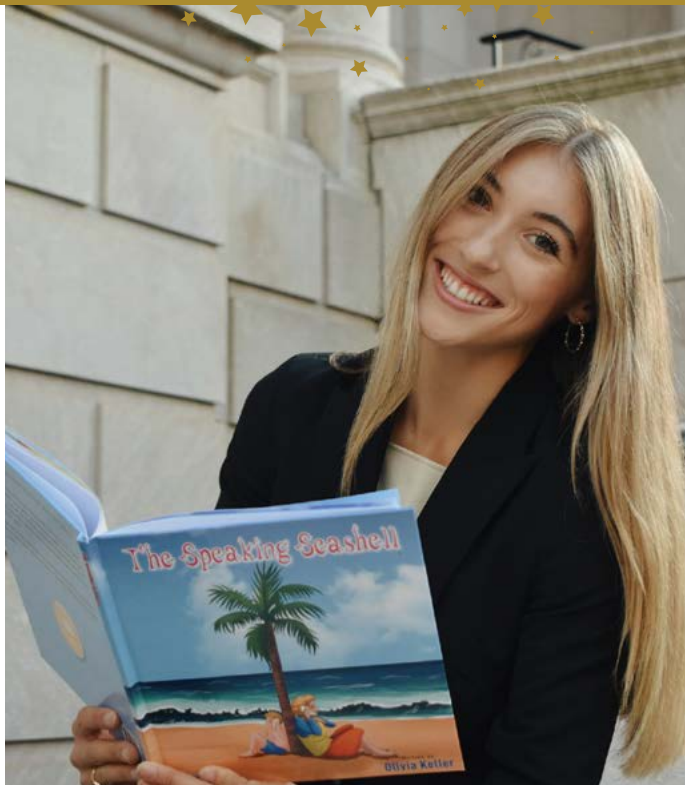

The class of 1975 celebrated its 50th reunion at Holy Angels on October 4th, 2025. It was such a joy to see everyone reconnect, reminisce, and celebrate the lasting friendships and memories they've built over the years. Thank you to the class of '75 planning committee for helping put this together!

AHA Class Reunions

Many AHA classes gathered for their reunions in 2025. Wherever they took place, it was great to see so many classes reconnect and continue to carry the Star spirit wherever they go!

Chasing Dreams with Faith & Purpose: Olivia Keller '22

Olivia Keller '22 exemplifies what it means to lead with purpose. As a Division I athlete at the University of St. Thomas, she has become a multi-event school record-holder, a conference standout, and the university's Athlete of the Year, a recognition built on talent, discipline, and genuine passion.

But Olivia's impact extends far beyond the track.

Just two months after graduating from AHA, she launched *The Sky's the Limit* podcast, a platform where she encourages listeners to embrace growth, gratitude, and the fullness of who they are called to be. Her message is honest, hopeful, and rooted in the values she first cultivated at Holy Angels.

In February 2024, she added "author" to her growing list of accomplishments with the release of her first children's book, *The Speaking Seashell*. Inspired by her relationship with her grandfather, the story beautifully captures the

importance of intergenerational connection and the wisdom shared between young and old.

Service remains central to Olivia's life. She has participated in medical mission trips to Honduras in 2023—where she scrubbed into surgery—and to Argentina in 2024, volunteering in hospital settings and deepening her commitment to compassionate care.

Her entrepreneurial spirit emerged next. In the summer of 2025, Olivia helped form CognitionIQ LLC, a developing startup rooted in a NASA neurotechnology patent and aimed at advancing cognitive health tools for young students.

Through each endeavor, Olivia remains grounded in many of the values she learned at Holy Angels: humility, faith, and a sincere desire to help and serve others. Her journey is a testament to what happens when talent and drive meets purpose, and when a young alumni carries the AHA mission boldly into the world.

"Be where your feet are. Enjoy the process, celebrate the small wins, and don't lose sight of the joy along the way."

In Her Own Words

What does it mean to you to have broken so many school records at St. Thomas and being a D1 athlete?

It honestly means so much, but at the same time, it feels like it has very little to do with just me. To me, the records are really a testament to the community around me—God, my coaches, my teammates, and everyone who's been part of this journey. At the end of the day, I value the team above everything else, and chasing these goals together makes it all the more meaningful.

What inspired your children's book?

Working in a nursing home and witnessing the bond between generations truly inspired me. I'd see residents with memory loss suddenly light up and recall moments from their past when children came to visit. Those same kids would walk away inspired by the stories they heard. I wanted to capture just how special that connection is between kids and grandparents alike.

Advice for AHA students?

Be open and embrace challenges. Growth often comes from the uncomfortable moments. Chasing big goals is exciting, but it's the day-to-day moments and lessons that make the journey truly meaningful.

How did AHA shape you?

AHA's community embodies service, faith, and love. My coaches, teachers, and campus ministry all played a role in helping me grow as a student, athlete, and person of faith.

Most impactful mentor?

Coach Gundy (Jim Gunderson) has always stood out as an inspiration of both faith and hard work. He constantly reminded us to keep our identity rooted in Christ. I'll never forget one section track meet where I was really upset with my performance. He pulled me aside and said, "It's about how you react to it that matters." I've carried that lesson with me throughout college—not just on the track, but in life. That perspective has shaped how I handle challenges and setbacks, and it's something I'll always be grateful for.

"Learn something from everyone you meet, and always be kind."

Alumni Class Notes

Welcome

The Holy Angels Advancement team is thrilled to welcome two new alumni members to the team.

Seamus Burke '14 is the new Marketing and Communications Coordinator. Seamus plays a lead role in social media, website, and internal and external communications.

Ciara McCrory '21 is the Alumni Coordinator and Admissions Assistant. Ciara is in charge of alumni engagement, special events, and reunions. She also provides support to admissions helping with family tours and special events.

Julie Madden '65 graduated with a master's degree in Civic Engagement-Election Administration from the U of M, Humphrey School. This follows a B.S. degree in Accounting from Metro State University and a B.A. degree in Child Psychology/Social Welfare from the U of M. She continues to work at Madden Accounting and Tax Service.

Dan Couillard '76 recently retired after teaching for 40 years including 37 years teaching P.E. and serving as the athletic director at Immaculate Conception School in Columbia Heights. On his retirement, the gym at Immaculate Conception was renamed "Couillard Court" in his honor. Over those 40 years, Dan coached baseball, basketball, soccer, volleyball, softball, and

fast and slow pitch in the Catholic Athletic Association. One thing he enjoyed was running into former Co-Stars/Stars who brought their kids to the tournaments at ICS. In retirement, he looks forward to spending more time with his family, and especially his twelve grandchildren.

Ann Hubbard '80 and **Min Jung Doh '98.**

I wanted to share an amazing encounter! I was in Seoul for work visiting our study abroad partner universities. I had a meeting at You&Me Counseling Services because U.S. students are frequently referred there. Imagine finding out in our introductions that Min Jung Doh (goes by "MJ") was living with her aunt in Minnesota during her high school years and graduated from AHA in 1998! MJ continued her studies in the U.S., earning a PhD from Penn State. She now is CEO and director of a clinic that includes counseling for English-speakers. This was

such an unexpected but wonderful connection! Ann Hubbard, Ph.D. Assistant Vice Provost, Learning Abroad, University of Minnesota, Twin Cities.

Molly Eichten '87 was named one of Minnesota Lawyer's Top Women in Law for 2024. Molly is currently a shareholder at the Bloomington law firm of Larkin Hoffman and practices intellectual property law.

Miranda Hammel-Sieg '10, got married in August 2023 to Michael Sieg, in Mount Rainier National Park. The two were surrounded by close family and friends who hiked with them on one of the many trails within the Paradise area.

Bonnie Theis '11 and **Katy Spray '11** recently reconnected, as both are registered therapy dog teams with North Star Therapy Animals of Pet Partners. Katy (left) and her dog Remi, visit staff at HCMC in Minneapolis. Bonnie (right) and her dog Annie, visit staff at Methodist Hospital in St. Louis Park.

Congratulations to **Kevin Ross '13** and Samantha Tobritzhofer who were married on June 6th. The wedding party included AHA alumni **Brandon Ross '10**, **Jared Ross '07**, **Adam Roloff '13**, **Matt Turner '11**, and **Drew Jenewein '13**. Also in attendance were AHA alumni **Eric Basch '13**, **Matt Bowlin '13**, **Andy Broadnax '13**, **Sam Keis '13**, **Sean McSweeney '13**, **Kevin Ness '13**, **Jon Santos '13**, **Liz Denio Santos '14**, and **Max Steininger '13**.

Congratulations to **Ben Becker '16**, who got married to Amanda Teske, on August 30, 2025. Ben Becker '16 (left) is pictured alongside his brother **Luke Becker '18** (right) on his wedding day.

Cat Duffy Shaw '22 ties St. Olaf Women's Soccer Assist Record (18) From Cat: "My four years at Holy Angels shaped me immensely both as an athlete and as a person. The most important lesson I learned was that of building and sustaining a strong community, because life isn't a solo mission; it's a team endeavor. I've learned to invest deeply in the people around me, to make them feel genuinely loved and supported, and to lean into their strengths when facing challenges. Through my classes, teammates, faculty, and coaches, Holy Angels taught me to lead with compassion, maintain high standards for myself and others, and achieve remarkable things alongside people I care about."

Vivian Glennie '23, who graduated as valedictorian of her class, earned both a STEM diploma and the AP Scholar of Distinction award during her time at Holy Angels. She now attends the University of California, Los Angeles (UCLA), where she is studying Marine Biology with an emphasis in Ecology and Evolutionary Biology.

Vivian recently was named Ernest F. Hollings Scholar for the Class of 2025–27 by the National Oceanic and Atmospheric Administration (NOAA). Each year, only 120 second-year students nationwide are selected for this prestigious program, which includes a grant of nearly \$40,000 and a 10-week internship within one of NOAA's offices. Vivian will likely work with the National Marine Fisheries Service, focusing on marine mammal conservation and medicine.

From Vivian '23: I wanted to personally thank you, Principal Foley and Ms. Kjorstad, for the wonderful education I received at AHA. I truly owe my success at UCLA to the strong academic foundation built at Holy Angels. I'm so grateful to both of you, as well as the entire staff, for your guidance and support during high school — it has served me well beyond graduation.

Help us keep you updated on all things AHA—news, events, and more. Update your info by scanning the QR code.

Homecoming '25

Holy Angels had an exciting Homecoming celebration on September 26th. It was an honor to welcome so many alumni back to celebrate the proud history of the program.

Dear Friends of Academy of Holy Angels,

It is with tremendous pride and a spirit of true celebration that I share with you this year's Annual Report. The Academy of Holy Angels (AHA) community is energized by an incredible wave of academic achievement, athletic distinction, and heartfelt community connection. This year, more than ever, the Star spirit is shining brightly, underscoring our Catholic mission to empower students to excel intellectually, live spiritually, lead responsibly, act justly, and serve selflessly. We are brimming with pride over the continuous achievements of our students and alumni, all while laying even stronger foundations for the future.

The foundation of the AHA mission remains our rigorous pursuit of academic excellence grounded in our Catholic faith. Our commitment to ensuring students reach their greatest potential is evident in the accomplishments and stories highlighted in this edition of the Communiqué. To support that pursuit, the board and leadership steward the financial resources of the school with the utmost care and concern. Highlights of this include continuing to operate with a balanced budget while working to remain affordable through modest tuition increases, increased financial aid, and enhancing the academic and extracurricular offerings.

The philanthropic support of our community is essential to realizing the mission of Holy Angels. Our community champions continue to provide not just the financial aid to make an AHA education possible, but the resources necessary to maintain and enhance our facilities, while developing program offerings. Continuous and growing acts of generosity are the foundation with examples such as the Becky Budworth '92 Mary Medal Scholarship, the Andrew Gaertner '88 Memorial Scholarship, and the Guardian Angels Scholarship all working to support the incredible work occurring at AHA each and every day.

As we reflect on these incredible highlights, we are grateful for the support of our entire community which makes it all possible. I am confident that, together with your support, we will continue to empower our students to love their dear neighbor while transforming the world. Go Stars!

God Bless,

David Sorkin, Ed.D.

President

Thank You, AHA Benefactors

This donor listing includes cash, contributions, the estimated value of in-kind donations, and funds raised through the school's special events between July 1, 2024 and June 30, 2025.

Thank you, President's Star Council Members

The President's Star Council (PSC) is the AHA major annual giving society. The PSC recognizes donors who have donated \$1,000 or more during the 2024-25 school year, or \$50,000 or more during their lifetimes. Together, this growing group of over 400 members donate over 90% of the contributed funds AHA receives each year. We are grateful for their continued support.

Thank you, AHA Legacy Society Members

AHA Legacy Society members have invested in future AHA students by remembering the school in their will or estate plan. Established in 2006, the AHA Legacy Society, now numbering close to 120 members, serves as a key driver in growing the school's permanent endowment, which now stands at approximately \$6 million.

To learn more about the
President's Star Council or the
Legacy Society, contact:
Brian McCartan (612-798-2618;
bmccartan@ahastars.org) or Jesse
Foley '89 (612-798-2621;
jfoley@ahastars.org).

This donor listing includes cash contributions, the estimated value of in-kind donations, and funds raised through the school's special events between July 1, 2024, and June 30, 2025. These totals do not include outstanding pledges. While we strive for the highest levels of accuracy with our donor listings, errors do occur. If you have any questions or concerns, please contact the AHA Advancement Office (612-798-2618, giving@ahastars.org).

2024-25 Financial Summary

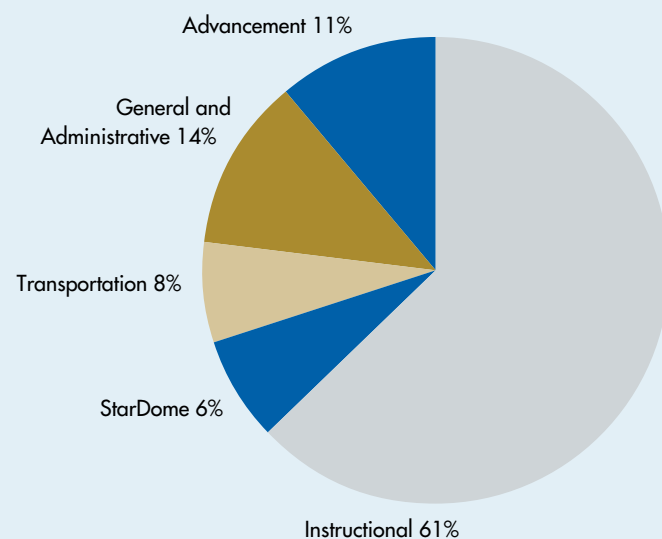

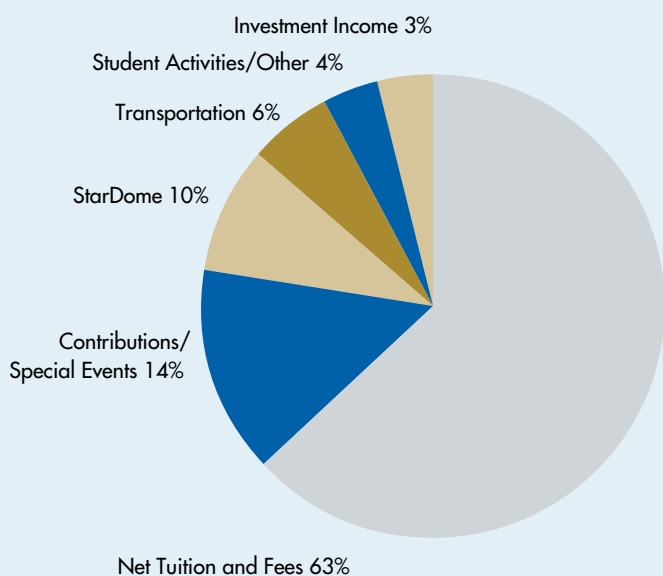

The following operating income and expenses from the 2024-25 audited financials are included for summary purposes, but do not reflect the audited financial statements in their entirety.

UNRESTRICTED REVENUE

Tuition & Fees	\$ 11,405,082
– Scholarships/Financial Aid/Grants	\$ (2,578,410)
Net Tuition & Fees	\$ 8,826,672
Contributions/Special Events	\$ 2,004,411
