GPA

You must also include a typed, one page paper over the following topic:

**What impact do you see your generation having on the industry of agriculture? Also, what can we do to make agriculture careers “more attractive” to your generation?**

Your paper must be a minimum of one page and written in MLA format; 12 point font, times new roman font, and single spaced. Essay must be turned in with your application.

Please answer the following questions:

What events have you participated in throughout your time in Shiner FFA?

---

---

What is one thing you would change or add to our FFA program here at Shiner?
