

LEOPARD SPOT

MARGARET LANDELL ELEMENTARY SCHOOL

November/December 2025

Principal's Message:

The Spirit of Giving: A Holiday Message from Landell Elementary School

As the holiday season surrounds us with warmth and celebration, it offers a perfect moment to reflect on the values that make our Landell community so special—kindness, generosity, and connection. This time of year reminds us that giving is not only about presents, but about the compassion, understanding, and support we show one another each day.

Throughout the year, we see our students demonstrate these values in countless ways. Whether welcoming a new classmate, offering a helping hand, or showing patience during group work, our students model the simple yet powerful acts of kindness that strengthen our school community. Their thoughtful choices remind us that even small gestures can brighten someone's day.

We are equally grateful for the unwavering partnership we share with our families. Your involvement, encouragement, and support help create an environment where students feel safe, valued, and prepared to learn. From participating in school activities to reinforcing positive habits at home, you play an essential role in shaping the experiences and success of all our students.

As we close the calendar year, we also want to acknowledge our dedicated teachers and staff. Their commitment to nurturing both academic and social-emotional growth ensures our students feel connected, supported, and inspired every day.

As you celebrate the season, we hope you find time to rest, make memories, and enjoy meaningful moments with loved ones. Thank you for helping make Margaret Landell Elementary a place where kindness shines bright. We wish all our Landell families a joyful holiday season and a wonderful start to the new year.

Sincerely,

Vanessa Freedman
